Kill the 'Lame Duck' Sessions If We Are to Have Better Service

THE process of giving America "more laws and less law" than any other country goes merrily on.

Two thousand bills have been introduced in the California legislature. If 35 states do as well, that will make 70,000. Add 30,000 for congress, and we have 100,000 new laws proposed for the consideration of American legislators.

A British parliament will have about 500 bills a session, which few pass. We doubtless need more laws than Britain—but not three hundred times more.

The very machinery which gives us too few. The proposals of President Hoover, are all entitled to a decision, one way or the other; but it is announced that there is no chance of getting it this session. The whole "lame duck" year is wasted.

One remedy, of course, is to get rid of the "lame duck" session. Its only excuse for existence was the bad roads of George Washington's time. To continue it now is as absurd as to run a modern railroad on the timetable of its stagecoach predecessor. If we elect congressmen in November, they should go into office not later than January. That would automatically abolish the "short session."

Another remedy, to improve the efficiency even of the regular sessions, is the proposal to have cabinet officers personally present and debate the administration measures on the floor of congress. That one change, small as it is, would give us fewer, better and prompt laws, and more responsible and intelligent decisions on them.

Why It Said "Nevermore"
"WHAT'S in a word?" or in a whole series of them? Sometimes a lot. Here, for instance, is Poe's "Raven" retranslated into English by a British writer from a perfectly serious French translation.

I pushed the shutter. A superb raven darted into my chamber, fluttering his wings. He did not make me any reverence. He came in as if he felt perfectly at home, and perched, full of majesty, with the grand air of a lord or a lady, on a bust of Pallas above my door. I could not refrain from smiling before the grave countenance of this bird of ebony. "Tell me," I said aloud, "what is your lordly name on this Plutonian shore of the night?" He responded, "Never again!" This response did not seem to have much sense. Did it ever happen to anybody to find at midnight open this door on a bust of Pallas a bird calling itself, "Never again?"

Try that on your poetic organ, you who think the study of foreign languages is useless, because "everything has been translated."

Forks and Mayflower
IT is doubtless a distinction to be a descendant from the Mayflower, or to be eligible to the Colonial Dames. But don't imagine that your aristocratic fastidiousness is inherited from your noble progenitors.

It is doubtless if one of the Pilgrims ever so much as saw a fork. Such things were the foppish affectation of a few dandies, to show that they had been in Italy.

Chimneys and chairs were among the newest inventions of the time. Both had been introduced within the memory of men living in 1620. Before that, people sat on benches and coughed in the smoke.

There were silver tankards and plates for the rich, but ordinary people ate from wooden trenchers. And bath tubs were still two hundred years in the future.

There is Comfort Still
FOR that matter, it is astonishing how much of our conventional equipment of life can be left out, even now, with entire comfort. Go to a beautiful Japanese hotel, which has neither walls, doors, windows, rooms or furniture, and sample its delicious meals without meat, bread, potatoes, water, sugar, salt, plates, knives, forks, spoons, tables or chairs; after which you sleep without a bed, bathe without plumbing, and, if you like, clothe yourself without coat, vest, shirt, trousers, shoes or hat. There is plenty left, even with all these omitted.

Where German Laws Excel
THE Germans have failed even worse than we have in devising an election system which will produce a government representative of the people. But in some other things, they have succeeded where we have failed.

Uniform rules for foreign credits have just been adopted by all the state governments, on the recommendation of a commission appointed by the national finance minister. With us, uniform state laws, even on subjects so long agitated as marriage and divorce, are still a dream of the future.

SEE NATIONAL BREAD PRICE GAIN

Blizzard Lashes Atlantic Seaboard

HEAVIEST SNOWSTORM OF SEASON WITH GALE

Ships Go On Rocks While Fierce Gale Rages; Traffic Tied Up

DEATH TOLL HEAVY FROM COLD, EXPOSURE

Snow Particularly Heavy In New York and Western Pennsylvania

A BRILLIANT SUN, smiling the bland smile of the cat that swallowed the canary, beamed down on northeastern states that were buried under one of the heaviest snow falls of the season today.

The gale which lashed the Atlantic seaboard during the night had subsided, a majority of ships in distress were accounted for, and the weather bureau promised generally slightly warmer weather for Saturday.

The storm, however, caused grim apprehension during the night. Transportation lines were tied up in many districts, ships went on the rocks, a number of persons were frozen to death or died of exposure, trains from the west, including the crack Twentieth Century Limited of the New York Central, were held up, some schools were unable to open and in many cities, particularly in upper New York state, traffic was limited to those hardy pedestrians able to plow through the snow in hip boots.

Schooner Is Missing
The four masted schooner Herbert L. Rawlings, with her crew, was listed as missing by the coast guard and another schooner, the Comack, was badly pounded by icy seas when she went aground off Sandy Hook.

Coast guardsmen and soldiers succeeded in rescuing the crew of the submarine S-48 which ran aground in the outer harbor off Portsmouth, N. H.

The snow was particularly heavy in New York state and western Pennsylvania. Pittsburgh reported from 10 inches to two feet, with traffic paralyzed. At Oswego, N. Y., the storm brought the snow blanket to a depth of three feet. Schools at Fulton were unable to open, pupils and teachers being held in their homes by deep drifts.

COAST GUARDS RESCUE CREW OF SUBMARINE
PORTSMOUTH, N. H., Jan. 30.—After a harrowing night during which their craft was buffeted by icy seas, the crew of 35 of the stranded submarine S-48 was removed safely today.

Coast guardsmen, aided by soldiers from Fort Constitution, took the men off the undersea craft after a night of tremendous struggle during which rescue apparatus was dragged six miles through slushy snow.

Efforts will be made to refloat the S-48 which went aground on Jaffrey Point during the snow storm which swept the harbor during the night.

Use Breeches Buoy
The rescue of the crew of 35 men, in command of Lieutenant Commander S. E. Bray was effected by means of a breeches buoy manned by crews from coast guard stations.

FIND MEANS GUILTY OF CONSPIRING

Former U. S. Agent and N. Y. Lawyer Sentenced to Atlanta Prison

NEW YORK, Jan. 30.—Found guilty of a conspiracy to defeat justice, Gaston B. Means, former agent of the department of justice, was sentenced today to two years in Atlanta penitentiary and fined \$10,000.

Colonel Thomas B. Felder, a New York lawyer, who was found guilty together with Means, was fined \$10,000.

The government's case against Means and Felder was concluded yesterday afternoon and the jury returned a sealed verdict which was opened at 10:30 a. m.

Bribery Is Charged.
The defendants were indicted on one count setting forth eight overt acts, including a charge of conspiracy to bribe high federal officials.

Elmer W. Jarnecke, a former confidential employee of Means, also was indicted but pleaded guilty and turned state's evidence in connection with a \$65,000 bribe collected by himself and his associates from defendants in the glass casket mail fraud two years ago.

The maximum penalty is two years and \$10,000 fine.

Both Means and Colonel Felder were visibly affected at the verdict, although after Elmer Jarnecke, the former's secretary, had turned state's evidence, there was little doubt as to what the jury, which retired late yesterday after a charge by Federal Judge Walter Lindley, would decide.

Means is under \$25,000 bail pending appeal from his conviction for violation of the Volstead act and an additional \$15,000 bail covering another indictment.

JUSTICE RENIGS IN MAYOR'S CASE

Justice H. E. Hart, of La Habra, today informed the district attorney's office that he had reconsidered his former refusal to issue a warrant for the arrest of Dr. Everett S. Boice, La Habra mayor, and would proceed to issue the warrant.

Whether the warrant had been served this afternoon on the mayor was not known. District Attorney Nelson received the message from Justice Hart shortly after noon.

Dr. Boice was accused of issuing liquor prescriptions for beverage purposes, a complaint against him being sworn to by Deputy Constable J. T. Bradford Tuesday.

Justice Hart at first refused to issue the warrant. The district attorney's office, in a communication to the justice yesterday, advised that the warrant should be issued and the case given a hearing.

JAIL COMEDIAN IN CONTEMPT CASE

LOS ANGELES, Jan. 30.—Alexander Carr, famous on the stage and screen for his portrayal of "Mawruss Perlmutter" was today found guilty of contempt of court and sentenced by Superior Judge L. B. Valentine to serve three days in the county jail.

Oregon School Law Briefs Filed In Court

WASHINGTON, Jan. 30.—The Oregon law requiring all children of school age to attend public schools does not violate the fourteenth amendment, Isaac P. Van Winkle, Oregon attorney general, contended in a brief filed today for the United States supreme court consideration of the case.

Van Winkle expected the court to reverse the decision of the Oregon federal court holding the law unconstitutional and remove the injunction against enforcement of the law granted to the Catholic "Society of Sisters of the Holy Names of Jesus and Mary."

About 9,000 children in private and parochial schools of Oregon will be affected by the decision on the law, which was scheduled to go into effect in September, 1926.

PUSH PROBE OF CRUELTY BY S. F. 'SOCIETY'

OAKLAND, Jan. 30.—Further sensational developments in the hearing of the habeas corpus writ filed in superior court here today by Mrs. Hilda Conklin of San Diego to gain possession of her adopted daughter, Valoyce, aged four, from the custody of the Oakland Metaphysical society, have been promised when the hearing is resumed Monday.

FOUND GUILTY OF MISUSING MAILS

NEW YORK, Jan. 30.—Stephen G. Clow, publisher of Broadway Brevities, and Albert S. Brown and Nat. Kunnies, two of his advertising solicitors, found guilty by a jury in district court of misuse of the mails, will be sentenced tomorrow.

Clow and Brown also were found guilty of conspiracy to extort money by threatening to publish derogatory items in the magazine.

The trial proved highly sensational, involving the names of Jack Dempsey, Tex Rickard, Peggy Joyce and a host of other celebrities.

BULGIN GUARD IS PUT UNDER ARREST

Louie M. Robbins, 26, employed as driver of a dry cleaner's wagon and as guard at the Bulgin revival tent, in Anaheim, was taken into custody at the Mother Colony today on a charge of defrauding an inn keeper.

Chief Criminal Deputy Ed McClellan and Deputy Joe Ryan, of the sheriff's office, arrested Robbins for the police at Long Beach, where Robbins is accused of leaving an unpaid board bill.

Robbins told the officers, they said, that he has been guarding the tent where E. J. Bulgin, Ku Klux Klan evangelist, has been conducting revival meetings in Anaheim, and pleaded that his presence at the meetings was most important.

The officers relieved Robbins of a deputy sheriff's badge which he was wearing, they said, without authority. Robbins, it was stated, had been deputized as a guard during the foot-and-mouth quarantine last year, but his appointment as a deputy had been revoked.

Robbins is being held at the county jail here, to be delivered into the charge of the Long Beach police.

DOGS RACE WITH DEATH IN ALASKA

Anti-toxin Is Sent on Last Leg In Hurried Trip to Save Lives

ANCHORAGE, Alaska, Jan. 30.—Speed records were being shattered along the frozen mail trails of the northland today as men and dogs "mushed" their hearts out to save lives in diphtheria-ravaged Nome.

Three hundred thousand units of diphtheria anti-toxin, packed in special bundles and lashed to dog sledges, is being carried by the fastest teams in the snow country night and day while the mercury hangs at 50 degrees below zero.

The anti-toxin reached Ruby, more than half way to Nome, last night, was switched to the long racing sledges drawn by the twenty dog team of Leonard Seppala, and was away on the last lap of the race.

Seppala will take the medicine to Unalakleet, 200 miles from Ruby, where a fresh team awaits to start the final sprint in short relays over the last 275 miles to the stricken city. Unless accidents prevent, the anti-toxin will reach Nome Monday, six days after it was shipped from the government hospital here by train to Nenana and consignment to men and dogs for the great race against death.

William Shannon took the package at Nenana and rushed to Toke, where Jim Kalland took up the race and rushed to Hot Springs, the two covering the 151 miles in 20 hours of continuous driving.

At Hot Springs Bill Green sent his dogs away on one of the fastest runs so far, speeding through the sleeping village of Tanana early yesterday morning and bowling into Ruby after 8 p. m.

Sullivan in five minutes Seppala was away to the northward, the bandaged feet of his dogs beating tirelessly on the frozen trail.

ORANGE BANK WINS SUIT OVER NOTE

Judgement for \$3500 was entered today in the superior court in favor of the National Bank of Orange, plaintiff in a suit brought on a promissory note against Forrest P. Sullivan and Harry R. Zabel.

Superior Judge Z. B. West heard the case and decided it late yesterday in favor of the bank. Sullivan failed to convince the court that his signature on the note was a forgery.

Sullivan, who is president of the Appleby Motor company, was the only defendant contesting the suit, Zabel being said to have removed from the court's jurisdiction. Attorney H. L. Dearing, of Orange, represented the bank, with Attorney Roger Dutton, of Anaheim, appearing for the defense.

Confidence Vote Given Premier

PARIS, Jan. 30.—The Chamber of Deputies today adopted a vote of confidence in the government of Premier Herriot. The vote was 345 to 255.

GUESSWORD LIMERICK

Oh, sing me a song of the south As it is since the days of the (1).
But if you say (2)
Or lilies or (3)
I'll tell you to hush up your (4).

MARY MILES MINTER SUES MOTHER TO COLLECT SALARY

Dempsey Says Kearns Yarn Is 'All Bunk'

LOS ANGELES, Jan. 30.—"It is all rot and hokum," Jack Dempsey told the United Press regarding his reported break with Jack Kearns.

"Kearns and I are friends and always have been friendly. I see nothing in the future to change that friendship. Kearns will continue his business relations with me after Estelle Taylor and I are married," said Dempsey, in commenting on his relations with the man who has managed his ring career for the last eight years and is now associated with him in the management of the Barbara hotel here.

"As for my quitting the ring, I have not definitely decided. Estelle and I are not married yet and my official decision on that matter will not be made until after the ceremony."

POSTAL BILL PASSES SENATE GOES TO HOUSE

WASHINGTON, Jan. 30.—The postal bill granting a \$68,000,000 wage increase to postal service employees and readjusting postal rates to increase the revenue by approximately the same amount, was passed by the senate today. The vote was 70 to 8. It now goes to the house.

The measure carried an amendment to the cable corrupt practices bill, regulating political campaign expenditures.

The salary increases are effective as July 1, 1924. The new postal rates would become effective next April 15 and terminate Feb. 15, 1925. Meantime, a special joint committee of both houses authorized to all questions pertaining to rate making with a view to ascertaining whether or not any classes of mail are being discriminated against by the rates in the bill and report a finding to congress next December.

SUPERIOR COURT RESUMES HEARING OF OIL CO. SUIT AFTER THURSDAY'S HALT

Trial of the two actions brought by John Mangold and G. G. Beckman against the Pacific corporation, Bank of Italy and other defendants, to recover \$35,000 invested by a group of ranchers in oil production at Signal Hill, was resumed at 1:30 p. m. today before Superior Judge R. Y. Williams, following an adjournment at 3 p. m. yesterday.

More defense witnesses were expected to be called this afternoon. Attorney L. L. Richardson, representing Jack Gaines, Charles Martin and Mrs. Mollie Meinecke, Orange brokers who handled the

LOS ANGELES, Jan. 30.—Mary Miles Minter, a former moving picture actress, has brought suit in the superior court here against her mother, Mrs. Charlotte Shelby, for an equitable accounting.

The star declares her mother in private life is known as Mrs. Pearl Miles Kelly. Miss Minter asks that the court compel her mother to render an accounting of money she earned in a contract my which the Famous Players-Lasky starred the young actress. Miss Minter states she was born April 1, 1902, and that on June 17, 1919, she entered into a contract with the Famous Players-Lasky corporation to play leading roles in 20 productions which would net her compensation of \$1,300,000.

FORBES' FATE IN GRAFT CASE GIVEN JURORS

CHICAGO, Jan. 30.—Cautioning against the testimony of Elias H. Mortimer, star government witness, because Mortimer is "an admitted crook," Federal Judge Carpenter today placed the fate of Colonel Charles R. Forbes, former head of the Veterans' Bureau, and John W. Thompson, St. Louis contractor, charged with conspiring to defraud the government, in the hands of the jury.

Judge Carpenter warned the jurors, however, that if they were satisfied that Mortimer was telling the truth they should accept the testimony.

GRANT PROBATION TO FATHER OF 4

The appeal of four young children today tilted the scale of justice on the side of D. S. Bickmore, young Westminister man who was recently convicted on two counts of selling liquor.

Considering the needy circumstances of Bickmore's family—the wife and four little ones—Superior Judge Z. B. West granted probation to the family's bread winner.

The court did not spare Bickmore himself, either in comment on the case, nor in the strict conditions attached to the defendant's conduct while he is on probation. These conditions will enable the authorities to keep Bickmore under close observation, it is said. The court expressed the opinion that the ends of justice would be under circumstances, as well served by probation, by depriving the hungry children of their provider.

JAPANESE FLEET CLEARS FOR B. C.

SAN FRANCISCO, Jan. 30.—The Japanese naval training squadron of three war vessels weighed anchor and cleared from San Francisco Bay for Esquimault, B. C. en route to their home base at Yokosuki.

"We came to you as friends from afar and we are departing from you as closer friends," said a statement of farewell made by Vice Admiral Saburo Hyakutake before he turned his flagship Asama seaward.

The American battleships West Virginia, Colorado and Maryland which have acted as the official reception committee for the Japanese during their stay here, are expected to leave shortly for San Pedro.

MAY WHEAT PRICE GOES UP AFTER BIG SLUMP

Reported World Shortage Is Credited With Causing Gains

BAKERS SAY NATION FACES BREAD BOOST

Advance Is Inevitable In Opinion of Millers at San Francisco

CHICAGO, Jan. 30.—May wheat which today shot up to \$2.05 1/2 a bushel, fell off to 2.03 1/2 at the close. Profit-taking was held responsible.

CHICAGO, Jan. 30.—May wheat soared up to \$2.05 1/2 a bushel here today within 3-8 of the new peace-time high reached yesterday.

An avalanche of buying orders swept into the board of trade at noon today on reports of higher prices in European wheat markets and recurrence of talk of a world shortage.

N. Y. BAKERS STRIVE TO AVOID RAISE
NEW YORK, Jan. 30.—New York bakers are treading warily in discussing the possibilities of a rise in bread prices.

"As long as it is within our power to maintain the present level of bread prices, we will do so," said William B. Ward, president of the Ward Baking corporation.

Officers of H. B. Cushman & Co. expressed the opinion that rise in prices is due shortly.

A representative of the Schultz Bread company said: "While it may be necessary to raise prices, we are holding off as long as possible. High prices may have to come."

S. F. BREAD PRICES DUE TO INCREASE
SAN FRANCISCO, Jan. 30.—Bread prices will increase here as soon as the present supply of flour is exhausted, baking companies predicted today.

A one-cent increase per loaf was made effective only a few weeks ago. Bakers claim they are powerless in the face of rising flour prices to withhold another increase much longer.

RICH MAN'S BODY IS FOUND IN DRIFT

PITTSBURGH, Pa., Jan. 30.—The body of George A. Benny, millionaire president of the Benolite company of Pittsburgh, was found in a snow drift near his home at Edgewood today. Benny had attended a banquet given in honor of Elbert H. Gary here last night and while walking from a train to his home collapsed from over-exertion.

Go Shopping The "Classified" Way

Every day more and more people are saving the time and worry of old-fashioned hunting by selecting the things they want from the Classified columns of the Register. There is no confusion here. No useless rushing about. You sit in the privacy of your own home and read of the many interesting offers.

The advertisers in the Classified columns are sincere. They have a bonafide proposition to offer. They price it right because they want to see it. They know that thousands of people depend almost entirely on classified ads to supply their needs.

In the Classified section of tonight's Register you will find a splendid list of homes for sale. Located in all parts of the city. Prices depending on location and construction. There are suburban homes also, poultry farms, orange, walnut groves and farm lands of nearly every description.

Open and closed automobiles of nearly every make offered by reliable dealers. Houses, apartments and rooms to rent. Almost every vacancy in the city is listed here. Bargains in household goods, musical instruments and hundreds of miscellaneous articles. The specialized services offered are far above the average and are worthy of your patronage.

Every ad represents a bargain in its respective class. Pick out the ones that interest you, then call the advertiser for additional information.

REPORTS FULLERTON NOW IS ALTERNATIVE SITE FOR NEW SOUTHERN BRANCH OF U. C.

With fourteen of the sixteen sites offered eliminated, the fight for location of the southern branch of the University of California today was limited to two, with Fullerton being one of them, according to statements made by George Raymer, secretary of the Fullerton chamber of commerce, at the meeting last night of the Associated Chambers of Commerce at the Tea and Tiffin, Laguna Beach.

The secretary revealed that the administrative department of the state university visited the Fullerton site yesterday and that a number of the men had expressed themselves as looking with considerable favor upon the tract of 1000 acres offered by that city.

Fears Politics. Asserting that a number of counties in the southland had dropped in line in support of the Orange county site, Raymer said that if Fullerton does not win the plum it will be because of politics rather than that the location is not right. "If selection of the site was to be in the hands of the state legislature, I would have no fear but that Fullerton would be selected," the secretary said.

The secretary expressed his appreciation of the co-operation of the organizations of the county in the endeavor in behalf of the county site. Judge L. F. Coburn, president of the county board of supervisors, and Raymer, secretary, were authorized to sign resolutions that may be necessary for presentation to site committees, the governor or board of regents in connection with the advancement of the county site.

Doubts Bond Issue. Voters of California will not approve a bond issue of \$25,000,000 for building improved highways, in the opinion of H. A. Lake, Garden Grove, chairman of the good roads committee of the Chambers. Lake expressed the opinion in reporting for the good roads committee.

"I do not believe the motorists of the state are opposed to an increase of one cent in the gasoline tax and the addition of \$2 to the annual registration fee," Lake said, in advancing his belief that a bond issue would not be supported.

Limited Tax Opposition. "The Auto Club of Southern California, oil interests and certain interests in Los Angeles are fighting the increase in the tax—the opposition is limited to this group. I have personally interviewed 430 car owners on the question of the tax and found only four who expressed opposition to the proposed increase in the gasoline tax and the registration fee."

Pointing to the introduction of the Bond bill including provision for a \$25,000,000 bond issue, Lake suggested the appointment of a committee to investigate the bill and report its findings at the meeting of the body to be held in Brea the last Thursday in February. Fred Ahlborn, county publicity agent; A. L. Olinger, secretary of the Santa Ana Chamber of Commerce; and A. M. Stanley, secretary-manager of the County Farm Bureau, were named to the committee.

Technical Delays. Reporting for the harbor committee, Lew H. Wallace, as chairman, explained that delay in development of the program for the calling of a bond election had been occasioned by certain legal technicalities. Stating that he had been advised that General Lansing H. Beach, consulting harbor engineer, would file his report within a few weeks, Wallace said when the report is completed "we will have something definite upon which to base our future operations."

"Voters of the county are expressing impatience at the delay in the program for the bond election," Wallace said. "From the reports I hear from all sections of the county I am convinced that the issue will carry if the amount of bonds asked for is sufficient to complete and make the entrance to the harbor permanent."

Welch Is Honored. One of the surprises of the evening came in a merited tribute by the residents of Newport Beach to Harry Welch, the efficient and hard working secretary of the Orange County Harbor Chamber of Commerce.

Concluding remarks highly complimentary to the secretary, George T. Peabody, of the beach city, presented Welch with a beautiful painting of the entrance to the harbor as it existed prior to the work done by the city of Newport Beach and the county in making the entrance safer. The painting was the work of R. Clarkson Colman. The presentation was occasioned by the fact that yesterday marked the fortieth birthday anniversary of Welch.

Fred Ahlborn, of Anaheim, county publicity agent, related some of the experiences he has had in developing a county exhibit for the National Orange show at San Bernardino. He had developed two different plans for a feature exhibit, one being discarded because of his inability to find necessary equipment. Deciding definitely on a campaign, and having partially completed the tour, Ahlborn said that he yesterday had received word from the show management that this feature already had been taken by Ontario. The agent said he advised the management weeks ago that he would adopt this form of exhibit.

Stresses Need of Rain. Ahlborn also submitted a report for the water conservation committee. Asserting that the water level now is seven feet below what it was a few years ago, the committee

He Is Looking 'Em Over Again

"Eight years of stomach and liver trouble reduced me to a walking skeleton. My skin was dried up and as yellow as a twenty-dollar gold piece. I was filled with gas and had severe pains in my right side. I could not think and lost all ambition to do anything. Doctor's medicine did not touch me. My cousin advised May's Wonderful Remedy, which snatched me from the grave. I have gained sixty pounds, eat like a hired hand and am looking 'em over again." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. At all druggists.—Adv.

ANDERSON—At their home, 901 South Artesia street, January 28, 1925, to Mr. and Mrs. Claude O. Anderson, a daughter, Allene Alice Anderson.
PROSCH—At their home, 919 South Flower street, January 29, 1925, to Mr. and Mrs. W. R. Prosch, a son.

Death Notices

A WORD OF COMFORT
No man is really dead until he is forgotten. Keep alive the memory of your dear one who has preceded you into the higher life. Think of him as going on from strength to strength with his weakness being purged and his latent capacity for righteousness coming into its own. Know that he loves you now better than ever before and determine to grow more worthy of that love. Peace and joy will be yours.

GETTY—Charles H. Getty, aged 69 years, passed away at his residence, 622 North Fenton, Thursday, January 29th. Services will be held from the Winbigler Mission, funeral officiating, interment following in the Fairview cemetery. Where Odd Fellows services will be held. Surviving Mr. Getty, in this city there is, Mrs. Edith M. Getty, his widow, and Wilbur K. Getty, his son.

FUNERAL NOTICE
Funeral service for Mrs. Christiane Anderson will be Monday, February 2, at 10 a. m. from Smith and Tuttle chapel, Rev. E. T. Porter officiating.

CARD OF THANKS
We wish to express our sincere thanks for the kind sympathy and beautiful floral offerings at the death of our beloved husband and father, MRS. LENA LANKFORD.
MR. AND MRS. E. A. WOE
MR. AND MRS. M. E. SMITH
MR. AND MRS. J. A. DOWLING
MR. AND MRS. A. L. ZIMMER

WHAT'S RIGHT TONIGHT?

That man, who cannot master the intricacies of baffly, bogie and bunker dismisses golf, with feigned content, as an "old man's game". He who has no sense of rhythm and cannot make his feet behave, pretends that dancing shocks him as "hugging set to music". Similarly, the one who has never learned to wear evening dress with ease and smartness is fond of terming it, with assumed derision, the "open-faced suit" or to talk, with his tongue in his cheek, about putting on his "soup-and-fish", or his "agony outfit" and all the rest. It is a convenient and comforting philosophy to look upon the thing one cannot do as not worth the doing.

We Americans do not wear evening clothes with anything like the poise and assurance of Europeans, because we do not wear them often enough; because we are always dodging, instead of seeking, the occasions which prescribe "snowy linen and ink-worsted". Practice sharpens skill, and the plain effects. Jackets are easy-fitting and ventless in the back.

During the last few months, the double-breasted Tuxedo jacket has been edging into vogue, but not to a degree that lessens appreciably the following of the single-breasted style which is favored by most men. Peaked lapels, of the type portrayed in the accompanying sketch, are now well-established, though the familiar shawl collar is just as correct. Fancy-weave materials, such as bird's-eyes, wills, bartheles, herringbones, shadow checks, corded and file patterns are preferred to the plain effects. Jackets are easy-fitting and ventless in the back.

Wear either the black silk or the white linen or cotton waistcoat; the plain-front or the pleated shirt; the single stud or two; the wing collar; the black bow-knot tie and the black derby, black soft felt hat or black velour hat. To carry a stick is smart, though not obligatory. Like a woman and a teacup, it gives you something to do with your hands.

The Cheerful Cherub

Though life has bitter little times
They're not a total loss I feel
For mixed with joys they play the part
Of sour pickles at a meal

Fraternal Calendar

White Shrine of Jerusalem—A dinner for all members of the organization will be held in the Masonic temple February 7 on the occasion of the official visit of the supreme high priestess and her staff.

Calumet camp, U. S. W. V.—Will hold a patriotic meeting in memory of George Washington, Abraham Lincoln, William McKinley and Woodrow Wilson in the high school February 11. American Legion posts will join with the Spanish War veterans.

Daughters of Veterans—Will meet in the G. A. R. hall at 2 o'clock February 3.

News Briefs

Givens-Cannon Pharmacy at Fourth and Ross have taken over the fountain, candy and cigar departments of their store and will conduct them in the future. Cleve Moyer, formerly with the Sun Drug company of Los Angeles, has been placed in charge of the fountain service.

In the advertisement of the East 4th Street Department Store which appeared in Thursday's issue of the Register, the price of "Men's All-Wool Pants" was incorrectly given at \$2.95. This item is on sale at this store at \$2.45.

The Fremont Nebraska Picnic club of Southern California will hold its sixth annual picnic at Echo Park, Los Angeles, California, Sunday, February 15, it was announced by E. C. Misner, president, today. John O'Connor, R. 3, Box 473, Long Beach, is secretary.

Prominent among the arrivals at Hotel Cooper is Mrs. Bertha Connor Burnham, of San Francisco, short story and feature writer. She is collecting material for a series of short stories and descriptive articles. She expects to remain here until the middle of next month when she will depart on a nine-month trip to Europe. She has traveled extensively, having visited most European countries as well as the Orient on different occasions.

Arrivals at St. Ann's Inn include Mr. and Mrs. G. D. Blood, Salt Lake City; F. S. Burgen, South Pasadena; Mr. and Mrs. A. D. Adair and Mrs. F. J. Gardner, Oak Park, Ill.

Peter M. Feldtmose, retired rancher of Eastland, Texas, is registered at Rossmore hotel. He is planning to make his future home in this city.

F. C. William, prominent oil man of the new Julian field, and Mrs. William, are among the guests at the Rossmore.

The Confederate Veterans, Sons and Daughters of the Confederacy, will be guests of Spurgeon Memorial Methodist church, South

POMONA GLEE CLUB TO SING HERE TUESDAY

The Pomona College Glee club believes it has a right to claim for itself a place among the best glee clubs in the country. As is evidenced by its programs which are consistently of the best music, the Pomona College Glee club seeks to attain better ensemble singing and a higher standard for glee club entertainments.

The Glee club concert will be given at Santa Ana high school Tuesday evening, February 3, at 8 o'clock.

The problem is no easy one and it resolves itself into two phases: first, the education of the glee clubs to the realization that they cannot compete with vaudeville and maintain their worth, and that only the classical in music can live and that therefore it is a matter of good taste as well as of common sense to present "real music" and not to clutter up programs with "jazz;" and, second, the public must be educated to the appreciation of the worth of men's choral singing. The public likes men's ensemble singing if it is well done, when they do hear it. But, the task is to get them to come and hear such singing.

Here on the Pacific Coast it is particularly difficult to get the public to turn out for glee club performances of any kind. In the east, however, the Harvard, and Yale, and Princeton Glee clubs are making tremendous strides in the furtherance of fine music, and they are drawing large houses. The Pomona College Glee club proposes to present as fine music as does these clubs. The club is advertising its program as worthwhile and the club is living up to this by "putting the programs across" as is demonstrated by the comment of press and public.

Sunday morning at 11 o'clock, according to the pastor, the Rev. Moffett Rhodes. A special message will be given and the old-time hymns sung. Rev. Rhodes invites all friends of the veterans to attend this service.

With several grand officers present, the regular monthly meeting of district No. 31, Knights of Pythias, was held in Fullerton last night. Members were in attendance from all parts of the Southland. Among the high Pythians present were Stanley B. Wilson, supreme lecturer; Harry Broughton, grand chancellor; Fred Jones, grand prelate; Clinton Miller, past grand lecturer; Louis Herzog, editor Star and Tiger, official publication of the order, all of Los Angeles, and Dr. C. C. Jarvis, Brea, district deputy grand chancellor. The Pythian Sisters served a banquet to the Pythians at the close of the meeting.

Arrivals at St. Ann's Inn include Richard E. Gutstadt, San Francisco; Ward Baxter and F. L. McKain, Chicago; Mr. and Mrs. A. G. Thurman, San Diego; Mr. and Mrs. W. D. McDougald, San Francisco; and Stanley L. McMichael, prominent club man of Los Angeles.

H. G. Mitchell and William B. Scott, motored in yesterday from Salt Lake City, and registered at the Rossmore.

Hotel Cooper arrivals include R. Donagan, Auburn, N. Y.; Mr. R. Huberty, Davis, Calif.; C. P. Hawley, St. Louis, Mo.; E. M. Doyle, Riverside; R. A. Crippen, Los Angeles; R. Miller, Fresno; and George L. Harvey, Omaha.

I. O. O. F. ATTENTION

Meet at Odd Fellows' Hall, Saturday, at 1:30, to attend funeral of our late brother, Charles H. Getty.

By order of
WM. A. MARYMEE,
Noble Grand.

From the land of the purple sage

HILLS BROS. COFFEE is western by birth. It speaks the language of rodeos and sage-brush, of white-peaked mountains and yawning canyons. Back East they say, "That wonderful western coffee!" For who, indeed, could forget its marvelous flavor?

Pierce the vacuum seal of a tin of Hills Bros. Stand by as it pours its fragrance on the air. Brew a cup and lift it to your lips... dash it down! That's the answer to why Hills Bros. is The Recognized Standard. Hills Bros. Coffee is economical to use.

COLLEGE SITE AT FULLERTON IS ENDORSED

Resolutions endorsing the offer of 1000 acres for a university site made by the people of Fullerton to the regents of the University of California for the proposed Southern California branch, were adopted at the monthly meeting of Orange county school principals' association, held last night in the American Legion hall at Fullerton.

Other matters taken up for discussion included standard intelligence tests and other matters connected with school administration.

A committee was appointed to cooperate with the chambers of commerce, the various service clubs and other organizations in an effort to secure for Fullerton the location of the southern branch of the state university.

"RED" GREENWOOD SOUGHT BY SISTER

Has anyone seen or heard of Eldridge Edward Greenwood, better known to his friends as "Red"?

His whereabouts are being sought by a sister, Mrs. Olga Barnett, 618 1-2 South Hudson street, Oklahoma City, Okla., who in a letter to the city police solicited their aid in finding her brother who has been "missing" for almost a year.

Greenwood, according to Mrs. Barnett's letter, formerly resided at 918 West Chestnut street, Santa Ana, and was last heard from in April 1924. He is a carpenter, but according to the sister is of a quick temper and therefore she fears he has fallen into trouble. He is described as being approximately 5 feet 10 inches in height, weighs 140 pounds and has dark red hair, dark brown eyes and is 26 years of age.

Society

Social Calendar
January 30—
Shrine club ball under auspices of Orange County Shrine club; Country club; 8:30 p. m.

Open Cypress Detour for Ball Tonight

The Cypress avenue detour to Newport Beach will be opened tonight for the benefit of Shriners going to the shrine hall at the country club. It was announced this afternoon by Warren Hillyard, county surveyor. The opening was made possible by courtesy of B. R. Ford, paving contractor, who is paving St. Gertrude's place and St. Andrews place.

The Cypress avenue detour was closed yesterday and traffic to Newport Beach and other points south of the city is being detoured by way of Bristol street or to the Newport boulevard by way of Tustin.

GRANT REVIEW WRIT IN S. A. LAND DISPUTE

The supreme court of California has agreed to determine who is owner of a small strip of driveway between two ranches in this city.

A writ of review and a writ of mandamus against the superior court, granted to Attorney Otto Sanaker by the supreme court, today marked another step in the long-drawn litigation between L. Prothero and J. F. Boose, neighboring ranchers living at Washington street and Grand avenue, this city.

Boose's property, at the rear of the Prothero ranch, is connected with the street by the disputed strip of driveway, which borders Prothero's property. Under a deed executed 42 years ago when the original owner of both properties divided them, the strip passed into possession of Boose's predecessors, and from them to him. Prothero recently raised the issue of ownership, his claim being based on interpretation of the old deed, which he contends merely granted an easement over the strip to Boose, and reserves title to Prothero, from whose land it was originally taken.

Superior Judge Z. B. West heard the case some time ago. Eventually judgment was entered in favor of Prothero, who was represented by Attorney Sanaker. Subsequently, Attorney A. E. Koepsel, of Orange, procured an order from the court on behalf of Boose, vacating the first judgment and granted a new trial.

Attorney Sanaker then appealed to the supreme court and both attorneys appeared before that body this week, in Los Angeles, to argue the case. The result was a writ of review, requiring the superior court to certify the whole record of the case to the supreme court, for its consideration at the next session of the body in April; also a writ of mandamus directing the superior court to enter the proper judgment in the place of the judgment vacated; and an order staying proceedings in connection with a new trial, until the supreme court has reviewed the case.

FILM STAR ATTENDS WALKER 'BIRTHDAY'

Hundreds of Santa Ana theatergoers last night celebrated the first birthday of Walker's handsome Orange County theater, one of the finest showhouses in the West.

A crowd larger than that which jammed the theater on opening night last year packed the playhouse to the doors. Scores were unable to gain access to the theater. Manager C. E. Walker said it was the largest attendance in the history of the house.

Laura La Plante, petite blonde film star, and William Seiter, actor-director, made personal appearances and briefly addressed the audience. Tully Marshall and Malcolm McGregor didn't arrive at the theater until too late to make personal appearances.

Acts of high class vaudeville and the stirring photoplay, "Smouldering Fires," in which Miss La Plante, Marshall, McGregor, and Pauline Frederick are starred, rounded out the evening's program.

Tustin Literature

Tuesday afternoon, February 3, at 2:30 o'clock, the Tustin literature section of Ebell society will meet with Miss Minnie Childs of Main and California streets, Tustin. The afternoon will be devoted to study of the writings of Albert Bigelow Payne and Harvey O'Higgins.

SIGNS LEASE FOR VARNISH FACTORY HERE

Completing today through the agency of Carl Mock, realtor, negotiations for a lease on the building erected some months ago on South Main street for the Shavo company, E. W. Bruce announced that on Monday he would start installation of machinery for the manufacture here of varnish, varnish renewer, polish and finishers' supplies. The Shavo property is owned by Mrs. Clara M. Coleman.

The manufacturing will be done under the name of the Scientific Varnish Renewer company, the products being made under formulas belonging exclusively to Bruce.

Bruce has been a resident of Santa Ana for six years, during which time he has been employed at local furniture stores in the varnishing departments. He has had thirty-one years' experience in the business. According to friends he has the reputation of being one of the best finishers working today on the coast.

In preparation for starting his industry here, Bruce went east a few months ago and established outlets for his products. He returned last week from his eastern trip and at once concluded the lease for the property on South Main street. The company is fully financed, according to Mr. Bruce.

Stating that it was his intention to start manufacturing in a small way and increase his output as business developed, Bruce said that employment would be given at first to three persons.

President Coolidge's salary, traveling expenses and the upkeep of the White House cost about \$425,000 a year.

'Diving' Fighter Admits Guilt In 'Frame-up' Bout

LOS ANGELES, Jan. 30.—Fred Fulton, Minnesota plasterer, changed his plea from not guilty to guilty when brought to trial today on a charge of violating the California boxing law.

Judge Arthur Keech immediately sentenced Fulton to pay a \$500 fine or serve 250 days in jail. Fulton indicated he would pay the fine.

Tony Fuente, Fred Winsor and Jack Reddy, accused jointly with Fulton, elected to go to jail. Selection of the jury was immediately begun.

COLDS THAT DEVELOP INTO PNEUMONIA

Chronic coughs and persistent colds lead to serious lung trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with twofold action: It soothes and heals the inflamed membranes and kills the germ.

Of all known drugs, creosote is recognized by the medical fraternity as the greatest healing agency for the treatment of chronic cough and colds and other forms of throat and lung troubles. Creomulsion contains in addition to creosote, other healing elements which soothe and heal the inflamed membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and destroys the germs that lead to consumption.

Creomulsion is guaranteed satisfactory in the treatment of chronic coughs and colds, bronchial asthma, catarrhal bronchitis and other forms of throat and lung diseases, and is excellent for building up the system after colds or the flu. Money refunded if any cough or cold, no matter of how long standing, is not relieved after taking according to directions. Ask your druggist. Creomulsion Co., Atlanta, Ga. (Adv.)

February HOLIDAYS

LINCOLN'S BIRTHDAY
ST. VALENTINE'S DAY
WASHINGTON'S BIRTHDAY

offer a world of suggestion for unique decorations both at table and in the home, generally.

For Cupid's "Day of Days" red and white predominate, of course, and we have a great many varieties of DENNISON'S CREPE PAPER TABLE COVERS, NAPKINS and DECORATIVE BORDERS to make it easy to entertain.

The National Colors used at any February function are most appropriate. And here, too, we are especially well equipped to help make your "Dinner" or "Afternoon" a success and when you are supplementing and collaborating the color scheme at the table with decorated Nut Cups, those different distinctive, place cards and appropriate favors you cannot overlook our ORIGINAL CREATIONS.

We are prepared to serve you in our "Party Line" as no one else can.

And we are always glad to offer our suggestions for decoration.

Miss Boyd to Serve As Hostess For February Tea

Ushering in the series of Ebbl Monday afternoon teas for Febru- ary, Miss Rosa Boyd as hostess, will be assisted by a little group of prominent Ebbl members Mon- day at 2 o'clock when an informal program, a series of card games and "the cup that cheers" will all be a part of a pleasant event at the clubhouse.

Miss Boyd, empowered to choose her hostess group, has asked Mrs. James Willis Rice, Mrs. W. E. Wins- low, Mrs. Alice Harris and Miss Katherine Edwards to assist her in dispensing hospitality to club- members and friends. Such hos- pitality will include the friendly greeting and a careful supervi- sion of the whole suite of rooms at all times, that no one may feel left to themselves for a moment.

Opening the afternoon will be a very brief program, planned to be as entertaining as possible. Of chief interest is the fact that James Willis Rice has yielded to the request of Miss Boyd and con- sented to give violin numbers—a sufficient drawing card in itself to all Ebbl members to whom his musical gift has so often given pleasure. Vocal numbers and per- haps a reading or two will com- plete the program as planned for, after which guests will be free to follow the impulse of the moment whether it be to congregate around the card tables, or chat over a bit of needlework in the lounge.

The section rooms will be ar- ranged for the serving of tea with tables presided over by members of one of the club sections. The small cover charge for the bridge and tea tables will go to the society's treas- ury.

Gym Class to Give "Kid" Party

Not to be outdone in hospitality by the girls and women of the morning gym class at Y. M. C. A. the members of the evening class have issued invitations to what promises to be a lively affair of next Tuesday evening.

Less than a week ago the morn- ing classes were hosts at a most enjoyable luncheon in the Y. din- ing-room and the approaching event is designed to offer a return hospitality in which all may join. Every member is expected to don the garb of childhood in order to enjoy the games and amusements planned. Each will be expected to bring a comic valentine to fit in with the plans of the entertain- ment committee appointed by Mrs. R. R. Russick, physical director for the women. Also there will be the necessity of gaining one thin dime from each attending member to aid in furthering said plans.

Costume prizes, merry games and finally, refreshments, will all add to the pleasure of the event and it is anticipated that there will be a full attendance of members of all classes.

Montreal is the world's greatest inland port.

Former Kansans Enjoy Luncheon and Visit With Old Friends

Motoring to Long Beach yester- day, a little group of warm friends enjoyed the day as guests of Mrs. Lew Stewart of that city, who entertained at a most en- joyable luncheon.

In the afternoon the guests, all of whom at one time claimed Kansas as their home state and swore by the golden sunflower, went to the pavilion where the mid-winter picnic of former Kan- sans was in progress. There they greeted old friends and made new ones.

In the party were Mrs. Roy Mc- Cain of Sawtelle, Mrs. Lyle McCain (Miss Louise Plummer) of Ocean Park, Mrs. Flattery and daughter Eunice of Tustin, Mrs. H. T. Reed, Mrs. T. F. McDonnell, and little Harriet Plummer, of this city.

Prominent Family Enjoy Reunion

Fifteen years of California sun- shine for the family of Mr. and Mrs. Ives L. Brown of the Mitch- ell road, were happily celebrated recently when a dinner was ar- ranged at the M. J. P. Heil home at Tustin. The date celebrated was that of the arrival of the Brown family from Texas just fifteen years ago.

Mrs. Heil is a daughter of the honor guests and was assisted in greeting her parents and their friends by Mr. Heil and the young people of the family, Hazel, Dor- cathy and Chester.

The guests were Mr. and Mrs. Ives L. Brown, Mr. and Mrs. George J. Brown and daughter Ruth, Mr. and Mrs. Arch Haven and children, Mary, Arch Jr., An- nie, Beth, Hilda, Edwin and Paul Ives Haven, Mr. and Mrs. Ernest Marks and children, Thelma and Elaine, Mr. and Mrs. Walter Dun- gan, Mr. and Mrs. Ives Brown Jr., Miss Mary Brown, Miss Ruth Brown, Mr. and Mrs. Clarence Brown and Mr. and Mrs. Lee Brown.

Honor Society Meets In Owens Home

The Hammond-Belle-Lettres club composed of 25 honor students of the Santa Ana high school, held a very pleasant social meeting Tuesday evening, when Miss Mary Jane Owens entertained fifteen of the members at her home, 129 Owens Drive.

After new officers had been elected, a crossword puzzle game was enjoyed and a social time, during which Miss Owens served dainty refreshments consisting of fruit cocktail, sandwiches and cocoa, concluding the evening's pleasures.

Congress is now appropriating more than \$405,000,000 annually for the Veterans' Bureau.

HAWAIIAN MOTIF APPARENT IN SMART PARTY FOR GUEST

To introduce a charming and de- lightful guest from Honolulu the doors of the beau- tiful Elmer Barr Burns home on Spurgeon street were thrown wide to a large circle of friends yester- day afternoon when Mrs. Burns and her daughter Mrs. Frank Charles Annim entertained for Mrs. Clifton Goodnight, Mrs. Burns' house- guest.

A gracious com- pliment was paid Mrs. Goodnight in having the Ha- waiian motif pre- val in details of the receiving line, the young girls who greeted the guests, those friends who pre- sided at the tea table and added in other pleasant hostess duties, all were garlanded with leis. In the library a string orchestra was stationed and the plaintive Hawa- iian music formed a background for the ripple of con- versation.

Mrs. Burns were a becoming gown of heavy black satin with gold-embroidered lace; Mrs. Annim's brunette charm was intensi- fied by her girlish costume of gold tissue, and the motif for the de- lightful affair, Mrs. Goodnight, was extremely lovely in a little French frock of white georgette elaborately beaded in iridescent and silver beads while a corsage of deep red rosebuds added a striking color note.

Mrs. E. E. French was gowned in black, heavily beaded in an in- tricate design. Assisting hostesses included Mrs. Otto R. Russell in oyster gray; Mrs. J. E. Gowen in peach georgette; Mrs. H. C. Daves in taupe brocade georgette, and Mrs. Theo Winbiger in orchid.

Others who aided by pouring tea and mingling with the guests in- cluded a group of young matrons and maids, Mrs. A. J. Ralph, Mrs. Jules Hilton and Mrs. Glenn H. Lindley (the latter bestowing the dainty favors in the dining-room).

Mrs. Frank Charles Annim (Miss Gladys Burns) one of the hostesses at smart affair given for Honolulu visitor.

Miss Margaret Lyon, Miss Roberta Dawes and Miss Gertrude Mont- gomery, all of whom wore the gay- ly colored leis to complete their pretty costumes.

The home, so beautifully adapted for entertaining, was charming in its appointments. Baskets of flowers filled drawing-room and din- ing-room. Shades were drawn and the glow of myriads of candles bright- ened the scene. In the dining room the table was graced with a mound of pink sweet peas and yellow nar- cissus giving a most spring-like effect.

Mrs. Burns and Mrs. Annim had issued nearly 200 invitations to the affair and there were many out- of-town friends present including Mrs. Russell Scott and Mrs. Otis Birch who drove over from Pasa- dena, Mrs. Lincoln J. Carden and Mrs. Robert Johnson (Helen Card- en) were among Los Angeles guests while Mrs. Curtis Jordan of

Auxiliary Card Party Scores Big Success At Legion Home

Every promise of a pleasant eve- ning was fulfilled last night at Legion home when members of the American Legion auxiliary en- tertained their friends at bridge and 500 as a benefit for the kids in the hospital at Camp Kearney.

A large crowd of members and friends assembled at the hall where card tables had been ar- ranged by the committee in charge and where the attractive appoint- ments needed little to add to their charm. The room was cozy and warm and the evening was so delightful that everyone present was eager to know when the party was to be repeated.

Pretty vases provided for ladies' first prizes in both series of games were won by Mrs. G. K. Scovel of the bridge tables and Miss Gretchen Lieberman of the 500 group. Fred Wilde and An- drew Lykke won the men's first prizes of gold Eversharp pencil and smoking trays. Consolation gifts of two-pound boxes of home-made candy were received by Mrs. Howard Mars and Mrs. Florence Hawkinson while gold-edged play- ing cards were presented Fred Merker and Mr. Leindberger.

After the prizes had been be- stowed, the auxiliary members who formed the refreshment com- mittee, served appetizing sand- wiches with cake and coffee. Among those present were a num- ber of Whittier guests who were so impressed with the pleasant evening that they plan to return for the next card party which will be given in a short time accord- ing to the auxiliary president, Mrs. Florence Robinson.

Long Beach and Mrs. Eugene Alex- ander of Anaheim were others present.

From Fullerton were Mrs. Ar- thur Finch, Mrs. Mark Menges, Mrs. W. K. Skillman, Mrs. Howard Krause and Mrs. P. C. Krause, Mrs. Harold William Wickett and Mrs. C. C. Chapman of Placentia whose house-guest Mrs. Goodnight has been for the past week or so, were also present as were Mrs. John Adams, Mrs. Daniel Casey and Mrs. J. E. Parker of Orange and Mrs. Glenn Hunter of San Juan Capistrano.

All were charmed with the per- sonality of Mrs. Goodnight and while regretting that her present visit will be of short duration, were anticipating her early return for a more extended stay. In Febru- ary she is sailing for her island home. To- day Mrs. Burns and her guest, who is a prominent member of Honolu- lu's chapter of Daughters of the American Revolution, were to be guests of Mrs. Biggs of Los An- geles, at a bridge which the Los An- geles chapters are holding at the Mary Louise tea-room.

A group of Seattle business men will leave early in February for a trade tour of the orient.

CROCODILES OF EGYPT YIELD STRANGE LORE

PHILADELPHIA, Jan. 30.—The old adage, "there is nothing new under the sun," is further substantiated by old Egyptian records just translated by the University of Pennsylvania, for when Ptolemy ruled Egypt, boys at college wrote home for money; the butchers sent out meat bills; divorcees got alimony and marriages were duly registered.

When the son writes home from college with an appeal to the family purse strings, remember he is following in the footsteps of sons for thousands of years.

Battered bits of papyrus revealing this information were excavated—not from the tombs of kings—but from the mouths of hundreds of crocodiles in the sacred cemetery of the crocodiles god Sobek at Umm el Baragat, in Egypt.

Long sheets of cast off text books, political editorials, wedding invitations and other records of the first three centuries of our Christian era were taken from the jaws of the crocodiles. The documents were neatly wrapped and well preserved.

Times haven't changed much in the past 2,000 years, that is, with the exception of modern inventions, for when "Bobby" wrote home for cash, he got it, as well as some fatherly advice.

"Take care not to offend any person and give your individual attention to your books, devoting yourself to learning and then they will bring you profit," the father wrote his son in beautiful script.

"Receive by Onnophris the white robes which are to be worn with the purple cloaks; the others you should wear with the myrtle-colored ones. I shall send by Anouhas both the money and the month's supplies and the other pair of cloaks. You won me over by the dainties."

Housekeeping lists were kept in the kitchens of the ancients, too. The kitchen list noted the butcher bill, and showed that when company was entertained, twice as much was ordered.

Ancient fragments of Homer's Iliad and Odyssey, found in the crocodile cemetery, are now on view at the University museum.

Not only did ancient Egyptian youths write letters like moderns but they studied geometry from text books which, though written in Greek, have changed little since the time of Euclid.

And just as a young man visits

Nebraska Bill Aims to Check Sheiks, Vamps

LINCOLN, Neb., Jan. 30.—"Sheiks" and "designing women" who alienate the affections of a wife or husband would be guilty of a felony and subject to a fine and penitentiary sentence, under a bill to be introduced in the Nebraska state senate tomorrow, Senator John W. Cooper, author of the bill, announced today.

Penalty for violation of the proposed law, under Senator Cooper's measure, would be a prison sentence of one to five years or a fine of not less than \$500, nor more than \$2500, or both.

"No senator or representative will be in a position to vote against my bill," said Senator Cooper.

Buena Park News

BUENA PARK, Jan. 30.—Postmaster and Mrs. I. D. Jaynes attended a banquet of postmasters of Orange county in Santa Ana Tuesday evening.

Mrs. E. R. Haskins and Mrs. W. W. Biedle were in Los Angeles Monday.

E. P. Mann was in Los Angeles Tuesday.

J. B. Robinson is back at work again after two weeks' illness.

E. S. Folli and family are removing to a place near Julian City, where they will operate a restaurant.

George Putnam and family have removed to the house vacated by the Morgans on Sunset avenue.

Mr. and Mrs. F. B. Walls are the parents of a son, born Tuesday.

Public stenographer, Moore Bldg.

the marriage license bureau today when matrimony is planned, so did the Egyptians. The couple were required to appear in person before the license clerk and announce their name, age and date of the proposed marriage.

When divorce was granted, the man seemed to get the worst of it, for the wife collected alimony, the husband was required by law to return the dowry and to provide for maintenance of any child.

Other valuable documents were retrieved from the cemetery were fragments of wills, expense accounts of a farmer, wedding invitations, an order of arrest for freeing a slave, land deeds and bits of writing from Socrates and Demosthenes.

Farm Lobbyists Not Politicians, Says Walnut Man

The 32 farmer organizations of the state joining in the maintaining of a lobby at Sacramento to watch bills that concern farmers are not interested in politics

and do not attempt to influence legislation other than that directly concerning agriculturists, Harry Lewis, president of the Santa Ana Walnut Growers' association told members of the Lions' club in addressing the club at its meeting yesterday at St. Ann's Inn.

Lewis repeated the address given on the Kiwanis club some weeks ago, and was quoted at that time fully by The Register.

Entertainment features on the

club program included vocal solos by Marie Bishop and clarinet numbers by Lyle Roberts, the soloists being accompanied by June Hartman. Dr. Merrill Hollingsworth was chairman.

Members of the local club will go to San Diego on February 12 and put on the program for the club there.

Constipation makes pimply skins—get permanent relief with Kellogg's ALL-BRAN

Do not allow this frightful disease to linger in your system.

Rid yourself of constipation at once! The longer it lingers, the greater the poisons it sends through your body—poisons which can wreck your health and lead to over forty serious diseases.

The destructive work of constipation shows in the face—pimples, hollow cheeks, circles under eyes. It brings gray hair. Causes spots before the eyes—and unpleasant breath. Get permanent relief. Eat Kellogg's ALL-BRAN! After all else has failed, thou-

sands have regained their health with Kellogg's ALL-BRAN. Because it is ALL-BRAN, it is 100 per cent effective. Only ALL-BRAN brings sure results. Kellogg's ALL-BRAN relieves the most chronic cases, if eaten regularly. It is guaranteed to do so or your grocer returns the purchase price. Eat at least two table-spoonfuls daily. Kellogg's ALL-BRAN is ready-to-eat with milk or cream. You will like its nut-like flavor. Kellogg's ALL-BRAN is made in Battle Creek, Michigan, and served by leading hotels and restaurants. At grocers.

Go to your druggist today. Get a bottle of Rostine's Eucalin. It will clear the bronchial passages, loosen up congestion and bring that pleasant relief as only Eucalyptus can do when properly combined as in Eucalin. Give Eucalin to the children as it contains no narcotics, chloroform, alcohol or habit forming drugs. For Spasmodic Croup and Whooping Cough it has no equal.—Adv.

STYLISH DRESSES

of Printed Crepe for Springtime

The prints will supply our real color for spring. They will be used for the light frocks and will accompany the coats in the necessary ensemble.

A visit to our shop entails no obligation.

We invite you.

OFFICIAL TESTS HERE DISCLOSE MANY CARS LACK PROPER BRAKE EFFICIENCY

City Motorcycle Officer H. D. Jaynes and his assistants flagging car at the brake testing grounds on West Fifth street, where the brakes of more than 300 cars were tested yesterday afternoon. According to Jaynes 40 per cent of the machines going through the test had defective brakes.

SLASHES GIRL WITH RAZOR IN JEALOUS RAGE

PHILADELPHIA, Jan. 29.—A modern "Cinderella" lies in a hospital here, her pretty face disfigured, her slim, shapely arms horribly slashed, her throat and breast slashed and her vitality almost sapped.

Because "Cinderella," a step-child, but the youngest and prettiest of four girls in the family, won the love of the suitor selected for an older and less beautiful step-sister, she almost paid with her life.

"Cinderella" was married to the man of her dreams and ten hours later she was bravely facing death with a smile while her husband knelt at her bed and held her fevered hand.

The modern "Cinderella" is Mrs. Nellie Serrante. Her husband, Frank, 27, a nephew of her step-father, Frank Rudazzo, 42, ignores older ones.

Serrante is a stiring young man with a small but prosperous business. Often he and Rudazzo talked about matrimony and the latter told him of his daughters and of how much he would like to have him for a son-in-law.

Serrante became a regular visitor at the Rudazzo home. It was noticeable, however, that he made open overtures to pretty Nellie, while he paid but little attention to her step-sisters.

This was not pleasing to Rudazzo and he told Nellie that her step-sisters came first. But Nellie learned to love Serrante, and the two met elsewhere and the courtship continued.

The girl left the house before the wedding, ostensibly for her place of employment. As the afternoon hours rolled around and Nellie did not return home, Rudazzo became suspicious.

Slashes Bride's Arm

He went to the home of his nephew, where he was met by Mary Serrante, a sister of his nephew, who told him Nellie was on the second floor.

Enraged, he mounted the steps and was confronted by the girl, who told him she would not return home, and then, proudly flashing a wedding ring, blurted out nervously that she was married.

Rudazzo became furious and attempted to strike the girl, but her husband interfered. With one blow Rudazzo knocked him down, and as Mary Serrante ran screaming to the street to summon aid, Rudazzo drew a razor from an inside pocket.

In fury he wielded it, slashing the girl's left arm from elbow to wrist. Before he could use the razor again, Serrante had recovered from the blow, but when he attempted to interfere was felled again.

Still more furious, Rudazzo then slashed the girl as she weakly attempted to fight him off. When police, summoned by her new mother-in-law, had reached the house the girl was lying on the floor in a pool of blood.

She was rushed to the hospital in a patrol wagon and placed immediately on the operating table. Rudazzo was arrested later.

The Japanese government has granted a subsidy of 150,000 yen to the Japanese Radio Broadcasting Co., for the next fiscal year.

According to H. D. Jaynes, city motorcycle officer, 40 per cent of the more than 300 automobiles submitted for tests of brakes at the testing grounds on West Fifth street yesterday afternoon had defective braking equipment. The testing point is on West Fifth, near Bristol. The examinations will continue through tomorrow, the service being offered without charge to motorists as a courtesy by the Orange County Automobile Trades association.

The officer said that his observation yesterday convinced him that motorists do not give proper attention to the brakes on their cars, the result being that a great many of the cars are a menace to the safety of the traveling public.

Cars equipped with two-wheel brakes, and travelling twenty miles an hour, should be stopped within thirty-seven feet, while machines with four-wheel brakes should be halted within twenty-four feet and seven inches, Jaynes said.

In emphasizing his statement that a large portion of the cars in the 40 per cent defective class could not be stopped in twice the designated distances.

"In case of an emergency, the drivers of such cars could do nothing to prevent an accident—and therein lies the menace of operating cars without proper braking facilities," the officer observed.

Y.M.C.A. NOTES

Members of the Junior College Y. M. C. A. are looking forward to their meeting for next Monday evening as a great event, on account of the distinguished visitor whom they are to entertain as their speaker.

This visitor is Roy H. Akagi, Ph. D., secretary of the North American Y. M. C. A. for Japanese students in this country, and head of the Committee on Friendly Relations among Foreign Students.

The Fullerton Junior College "Y" club has been invited to share in the visit of Dr. Akagi, and promises to send a good delegation of students and faculty to hear this authority on Japanese-American student life.

Additional information about the Y. M. C. A. state convention which meets in Santa Ana February 12 and 14 was given out today by Alex Brownridge, chairman of the Convention Committee.

Admiral S. S. Robison, commander-in-chief of the Pacific fleet at San Pedro, is announced as the principal speaker for the Saturday noon luncheon, at which the Army

I Paid \$10

For lipsticks—\$5 for powders
By Edna Wallace Hopper

I am an extravagant, as we all are on the stage or in the movies. Our career depends on looks. So it matters not how much we pay for real beautifiers.

I have always had everything made to my order, and by the greatest experts I could find. I paid \$10 for lipsticks, \$5 for powder, to get the best they knew.

Then I began to supply my beauty help to women. They wanted my powders, too. So I arranged with the makers to supply them in enormous lots at very modest prices.

Now all druggists and toilet counters supply this very powder that I use. They are matchless creations, as fine as vapor, as harmless as dew. The richest women can find nothing better, whatever price she pays.

I have these powders made in two tints. One is a heavy, cold cream powder, in square box—the type I prefer. It clings and stays. That costs \$1 per box. It is called my Youth Cream Powder.

But I have the same powder made light and fluffy, in round box, for those who prefer that type. That sells for 50c per box.

Let me send you samples of both. Compare them with other powders. Decide which you prefer.

I promise you a new conception of face powder. Clip coupon now.

GIRL STUDENTS TURN NYMPHS IN SWIM POOL

DENTON, Tex., Jan. 30.—Change the age-old swimming class to read as follows:

May I go swimming, mother?
Yes, my darling daughter,
I'll go along to play a tune
To aid you in the water.

The business of violently churning the water, done heretofore in more or less aimless fashion by the modern debutante, bids fair to become a rhythmic, systematic process, if an experiment being tried out at the Texas State College for women proves successful. Instead of responding to the customary "one two, one two" count of the instructors, the student swimmers are timing the Australian crawl, the trudgion, and the back stroke to strains of music from a phonograph on the bank.

No, No, No! Jazz.
And jazz music is taboo—positively! It has been discovered that when the saxophone moans and the trombone executes its most extraordinary fortissimos the swimmers in the pool immediately throw instructions to the four winds (or perhaps more appropriately, the four walls) and instantly display an accelerated, irregular stroke that isn't calculated to beat Sibyl Bauer in the sprints or distance events. But Hawaiian music—ah! To the plaintive strains of the ukulele the fair water sprites dip and turn and cleave the depths as would so many dolphins.

It is all based on the theory of emotions, says the college instructor, Miss Dorice Mirick. The average individual, according to her reasoning, enjoys doing things to rhythm rather than to counting. Strokes can be given a better fitness in detail, form, and regularity to music, and the swimmers are kept continually in motion, thereby effecting more sustained practice.

Rest and Results
The beginner finds her frantic strokes reduced to the slow motion movie ratio, she relaxes and rests momentarily after each stroke, and instructors say she accomplishes results never before attained by novices. The music is used both for land and water swimming drills.

So swimming in the future, according to indications at the college, bids fair to become a twofold process. The sub deb, while receiving the annual instructions every summer, can memorize at the same time the latest song hits. If the big-chested life guard learns to strum the uke, or if he makes the muted cornet whisper of sweet nothings in the future, it's all because he has learned the art of giving swimming lessons.

Wife Tires of U. S. Champion Wash Getter

LOS ANGELES, Jan. 30.—George Galbreath Little was not so strong at supporting a family, but he certainly could solicit a mean washing, according to the divorce complaint of Mrs. Elsie Louise Little.

At first he only brought home about one washing a day for her to do. But it was not long before he had the wash collecting game by the tall, and he eventually brought her so many that she was overwhelmed by the rush of business. It ended up by driving her to bed, all from overwork, Mrs. Little related.

And he was a cheery solicitor withal, never downhearted or discouraged about her. When she would complain a little about so much work, according to Mrs. Little, he would brighten things up with the following inspiring remark:

"Go ahead. Get to work. Don't complain. Get busy."

Mrs. Little reported that she was tired of doing washings and that it therefore would be appreciated if the court would award her a divorce from her demon-solicitor husband.

Mamma Pays as Father Fibs—\$200 for \$2 Fine!!

NEW YORK, Jan. 30.—Mrs. Peter Florio of Detroit, Mich., appeared at the traffic court yesterday and asked the clerk to check up on a fine paid by her husband, a fur salesman, when he was arraigned there on Jan. 6, charged with driving the wrong way on a one-way street.

Mrs. Florio said she had sent her husband \$200 with which to pay the fine and had become suspicious when he failed to tell her more about it in his letters.

She was told her husband had been fined \$200 and had paid it.

"Please give me a receipt for that \$2 and I'll give my husband the surprise of his life when I see him," she exclaimed.

VARIED VIEWS ON ABOLITION OF HANGINGS VOICED HERE

District Attorney Nelson Opposes Move Against Capital Punishment

REV. PORTER TELLS OF OREGON'S EXPERIENCE

Effectiveness of Executions Is Questioned By Other Local Men

BY ARVID GILMOUNT
 Should the death penalty be abolished?

Has man, singly or collectively, the right to take human life?

Is capital punishment "legal" murder which no human statute can square with divine, eternal, changeless law?

What of the commandment, "Thou shalt not kill," and "Vengeance is mine, those stern dictates of the Almighty?"

Life and laws are in two different realms. Life is God-given; laws are man-made. Life is divine; laws are human. Proceeding on the basis that life is beyond man's highest powers, beyond the jurisdiction of the highest of man-made courts—then, has any group of men, though acting under legal cover or clothed with judicial authority, the moral right to send back a human soul to his Maker?

With the introduction of two bills in the state legislature, one by Senator Roy Feltman and the other by Assemblyman Sidney T. Graves, the old controversy has been revived in the state with renewed vigor. The points above are being debated.

It is stressed by those who are opposed to capital punishment, that it has been abolished in many European countries and in several American states. The countries of Austria, Holland, Italy, Russia, Norway, Portugal, Rumania, Sweden, Estonia and Lithuania have discontinued executions.

While opinions in Santa Ana are divided as to the advisability of abolishing the death penalty, there is a leaning toward its abolition.

Here is what Rev. Frank T. Porter, pastor of the First Christian church thinks of the proposal:

"My sentiments are against capital punishment."

(Continued on Page 10.)

COSTA MESA WOMAN OPPOSES SINGING OF "STAR SPANGLED BANNER" IN PUBLIC SCHOOLS

Singing of the American national anthem, "The Star Spangled Banner," in the public schools does not meet with the approval of Fanny Bixby Spencer of Costa Mesa. She expresses her views on the patriotic melody in vigorous terms in a letter sent to Will C. Wood, state superintendent of public instruction, Sacramento. She declares a movement is on foot to have the singing of the hymn discontinued.

The protest against the national anthem, which will be considered by the state board of education at its next meeting, denounces the "bombastic and bloodthirsty" of the song, "The Star Spangled Banner" as the most "bombastic and bloodthirsty" of the national anthems in the civilized world today.

"The Rockets' red glare and the bombs bursting in air" are words which have only one significance, the protest states, "namely the glorification of the killing of man by man. A significant line of the song, 'Their blood has washed out their foul footsteps'." Pollution, expressed in the English in terms so malicious as to make one blush with shame for a country that would perpetuate them."

Want Song Discontinued
 "If it is given to the children of the nation generation after generation, as milk from the mother's breast, how can we hope for peace?" Mrs. Spencer challenges. "The time has come for those in charge of public instruction to take steps to discontinue the singing of this song in the schools."

The author of the protest is a well known social worker and has been associated with Upton Sinclair in many of his activities.

Commenting on the noted Socialist, Alexander Brownridge, cashier of the Farmers and Merchants bank, president of the city board of education, said:

"Promotes Patriotism"
 "No better means of promoting true Americanism and patriotism can be devised than the singing of the national anthem and other national songs. And it was this spirit of patriotism, this love of liberty, this devotion to the cause of democracy, so well portrayed in the words of the Star Spangled Banner, that planted Old Glory along side the Union Jack and the Tri-color on the battle fields of France."

It is stressed by those who are opposed to capital punishment, that it has been abolished in many European countries and in several American states. The countries of Austria, Holland, Italy, Russia, Norway, Portugal, Rumania, Sweden, Estonia and Lithuania have discontinued executions.

FRAME BILLS TO HELP IN INCORPORATION

Measures Would Benefit Garden Grove, Laguna, Placentia, If Enacted

Carrying out an agreement entered into at a meeting held at Anaheim a few weeks ago by representatives of the Unincorporated Towns association and the Federation of Farm Bureaus, bills have been prepared by Attorney Horace C. Head of Santa Ana and have been introduced into the legislature by Assemblyman S. C. Hart.

Purposes of Bill
 Three purposes are sought in the bills.

First, to remove the law that makes it necessary for the owner of acreage to sign a consent to incorporation before an unincorporated town can incorporate.

Second, incorporation shall require a two-thirds vote instead of a majority.

Third, to do away with the law requiring that a city of the sixth class shall be in one school district and shall have no part of another school district within its boundaries.

Attorney Head said today that the first and second purposes were put into bills as a result of the Anaheim meeting.

"Two years ago," said Head, "a bill called the Eden amendment was enacted into law requiring that the owners of all acreage proposed to be included in a city of the sixth class must sign an agreement of consent to be taken into the city before the question of incorporation shall be submitted. This law made it practically impossible for a city of the sixth class to be organized. One man with acreage could block incorporation."

Among communities that are reported to have found their plans for incorporation at a standstill as a result of the measure are Placentia, Laguna Beach and Garden Grove.

Farm Bureau Interested
 The farm bureaus had been interested in the law, taking the view that the farmer adjoining a town that wants to incorporate was entitled to protection. It was pointed out that often a town would take in a lot of farm land merely for taxation purposes, regardless of the wishes of the owners of the land.

When a large number of unincorporated communities of Southern California organized an association and started a movement to do away with the law requiring the signatures of acreage owners, they found that the farm bureaus had to be reckoned with. For that reason a conference of representatives of the Unincorporated Towns association and of the farm bureaus was held at Anaheim.

At that meeting the farm bureau representatives consented to withdraw opposition to the proposal to do away with the necessity of requiring the signatures of owners of acreage. That would come step should be taken to afford farmers a better measure of protection than had been the case before the Eden amendment was passed. The proposal was made that the vote to carry incorporation be raised from a majority vote to a two-thirds vote. That would compel community interests seeking incorporation to hold their city limits close to where they ought to be, since the more territory they took

HIGH SCHOOL STUDENT BODY TOTAL SWELLED BY JUNIOR H. S. CLASSES

Pictured above are the graduating classes of the Frances E. Willard (top) and Julia Lathrop (bottom) junior high schools. In the top picture the members of the Frances Willard school are garbed in costumes used in the class day exercises held Thursday afternoon. "Please explain," said one demure miss of the class, "that these are not regular clothes." Eighty-five students today completed successfully the courses of the junior high schools and Monday morning will enter Poly high in quest of higher knowledge.

Leaving old fields to conquer new, eighty-five students of the Santa Ana junior high schools are to pass out of the history of the Frances Willard and Julia Lathrop institutions when they receive their graduation diplomas at the commencement exercises in the Santa Ana high school auditorium at 8 o'clock tonight.

Though not the largest mid-year class graduated, in numbers it is well in front of the average size class sent from the doors of the junior high schools in the February exercises. From the Frances Willard school forty-one are being graduated and the Julia Lathrop is adding forty-four to the list.

A complete program has been provided for the commencement to night. Open invitation to attend is extended to the public. Rev. J. A. B. Fry of Long Beach will be the main speaker of the evening. Opening the program, the Julia Lathrop orchestra is to play some numbers during the interim before the class graduates are seated.

Willard Graduates
 The Frances Willard graduates are:

Miriam Adamson, Josephine Ball, Mary Blakeman, Janet Briggs, Leslie Burrill, Mary Charlain, Hazel Crawford, Frank de la Rosa, Walter Dobyns, Novalee Doolittle, Aubrey Dunbar, Helen Dutton, Thelma Glasscock, Robert Goetting, Robert Grey, Florence Greenleaf, Lucille Harrison, Julian Heim, Le Roy Hershey, Herbert Hill.

Others include: Gracie Hurd, Lucille Histon, Ruth Juhlin, George Mansfield, Edgar Mark, Henry Martin, Ruth Newman, Jerrold O'Bryant, Maxine Overton, Glenn Richards, Henry Roades, Clark Sackheim, Wilma Thompson, Arthur Wakefield, Catherine Walbridge, George Walton, Alpha Watts, Naomi West, George Winter.

500 REJECT GENUINE BARGAIN
 OFFER DOLLAR BILL FOR 50 CENTS
 SCHOOL BOY FINALLY ACCEPTS

Selling a dollar bill for 50 cents is not as easy as it sounds, according to M. F. Sullivan, manager of the Southern Radio company.

Sullivan posted a dollar bill on a piece of cardboard and placed it in the store window at 306 North Main street. When "prospects" came in to inquire about the offer, Sullivan asked them if they would sign the following:

"In buying a dollar bill from the Southern Radio company of Santa Ana for 50 cents, I take it upon myself to take said bill without holding the above firm responsible for the bill being good U. S. money."

According to Sullivan, fully 500 persons inquired about the offer, but all refused to sign the paper. Finally, a high school boy, Merion Bixby, 839 North Barton street, affixed his signature and thereby made a profit of 50 cents.

MOTHER WILL "LISTEN IN"

TO TELL KIDDIES ABOUT NUTRITION

Beginning next Monday, Miss Zora Huddleston, dietitian connected with the California Dairy Council, will give lectures to school children on nutrition. It was announced today by Jay Dutter, Southern California representative of the organization. It is planned to have Miss Huddleston give two lectures a week at each school in the city.

Headquarters of the educational campaign put on by the California Dairy Council will be opened at 209 North Main street. It was announced by Dutter. At this place Miss Huddleston will confer with mothers on matters relating to nutrition at designated hours. Dutter stated. He also added that special meetings will be arranged for the membership of the different P.T.A. organizations.

HARTMAN INTRODUCES MEASURE TO HELP CITY

Tax Limit of Fifth Class Towns Would Be Raised to \$1.25

LIMIT AUTHORITY OF CITY MANAGER

New Bill Would Curtail Responsibilities to Some Extent

If a bill introduced into the legislature by Assemblyman S. C. Hartman becomes law, Santa Ana will have the opportunity if the voters see fit, to have a city manager.

Under the bill, written by Attorney H. C. Head of Santa Ana, it is proposed that cities of the fifth class, of which Santa Ana is one, shall have the right to vote on an ordinance providing for a city manager. They are to have the right also to vote to do away with the city manager government if they do not like it.

Included in the bill as presented at the legislature is also a provision by which the tax rate limit of a city of the fifth class is raised from \$1.00 to \$1.25.

The city manager bill provides that the city council may submit to the people for a "yes" or "no" vote an ordinance that shall provide for the institution of a city manager and that shall outline his duties. The bill, if it becomes law, will make it necessary that this ordinance provide certain things. Among these things are the following:

Would Appoint Manager.
 That a city manager is to be appointed by a vote of four out of the five city trustees, and that he may be removed by a vote of three trustees.

That the city manager shall hire and discharge all city employees excepting elective employees, and shall fix the compensation of all employees excepting elective employees; shall have charge of the purchase of supplies; shall be responsible for accounting system; shall prepare plans and specifications for all city work; shall supervise public work; shall examine and approve all city contracts; shall make and keep inventories of all city property. His responsibilities would not cover the schools, in the management of which no change is proposed by this bill.

"There is frequent complaint in the municipal council chamber of the handicap under which Santa Ana operates as a municipality by reason of the dead line in taxation which is fixed by the state law," said a member of the board of freeholders that prepared the last charter submitted to a vote in Santa Ana. "That is to say, the state law limits the tax rates to \$1.00 per \$100 of valuation. As Santa Ana has no city assessor, its property being assessed by a county assessor, the city cannot increase its revenue by increasing the assessed valuation and valuations being thus arbitrarily limited and fixed beyond the control of the board of trustees, and the rate limit."

(Continued on Page 10.)

It is stressed by those who are opposed to capital punishment, that it has been abolished in many European countries and in several American states. The countries of Austria, Holland, Italy, Russia, Norway, Portugal, Rumania, Sweden, Estonia and Lithuania have discontinued executions.

While opinions in Santa Ana are divided as to the advisability of abolishing the death penalty, there is a leaning toward its abolition.

Here is what Rev. Frank T. Porter, pastor of the First Christian church thinks of the proposal:

"My sentiments are against capital punishment."

NATURAL FOOD

Is Most Important for Children

The most natural foods are the most beneficial, especially for infants and children. Nature intends milk to be consumed exactly as she produces it—clean, pure and free from special treatment of any kind.

Certified MILK is produced according to the most rigid standards of cleanliness.

These standards are constantly maintained at Arden Dairy. Inspections at the farm are repeatedly made by the Medical Milk Commission and by the Department of Health.

Doctors are constantly recommending Certified Milk because they prefer to start with a natural product of known cleanliness, regardless of any modifications which may be necessary to meet specific feeding requirements.

FRENCH WOMAN TELLS HOW TO GET THIN

Without Diets, Absurd Creams,
Exercises or Reducing Girdles.

I reduced my own weight 50 pounds in less than 9 weeks and at the same time marvellously improved my general health and appearance with a new French discovery called SAN-GRI-NA. To-day I look, act and feel younger than my real age. From the results to my own case, and those of my friends, I am absolutely convinced that any man or woman burdened with rolls of ugly, unwholesome, unbecoming fat, can take it off easily, quickly and safely with SAN-GRI-NA. SAN-GRI-NA is one of the latest French discoveries for the reduction of excess fat. It does away with weakening diets—starvation exercises—torturing garments and absurd and expensive so-called reducing creams. It is used extensively in Paris, where women of every age pride themselves on keeping their figures slender and graceful. No matter how fat you are, or what you have done in the past to reduce, you must remember that SAN-GRI-NA has never been offered before to the American public. IT IS GUARANTEED ABSOLUTELY HARMLESS—does not contain any dangerous drugs and cannot possibly affect your stomach or your health. By simply taking 2 small tablets before each meal, 4 or 5 times a day, in 2 months, and I haven't regained a pound since. I eat all I want and enjoy the best of health. You can do the same. To-day go to any good drug store, ask for a package of SAN-GRI-NA. Do not accept anything else. IT IS THE ONLY THING that has been found to reduce, after I had tried hundreds of different ways and remedies. On sale at White Cross, Keller, Parsons, Maters' or Hadden-Jean Drug Stores.

Are Always Here

There are no seasons for a boy's general clothing needs. If it isn't a pair of knickers or a shirt it's a sweater or something.

You'll always find them at this shop of boys' wear exclusively.

But if you ARE thinking of a new Spring suit—we've got them!

HARTMAN FATHERS BILL TO HELP CITY

(Continued from Page Nine)

ited and fixe dby the state law, there is no way out for the board of trustees.

"This is one of the conditions sought to be remedied in the two attempts, both unsuccessful, that have been made to adopt a special city charter."

"My opposition to the two charters that were submitted," said Head, "was based on many reasons. One was that I objected to trying to substitute an unutilized special charter for a form of government thoroughly tried out and litigated. I have always contended and still contend that a city manager government depends entirely for its success upon the individual selected as city manager. I have objected and would still object to adopting any measure that would tie this city up permanently to a city manager form. And that is what the two charters that were submitted and defeated proposed to do. Under this bill the people have the right to vote on the city manager plan. If they see fit, they can put it into operation. If they don't like it they can get rid of it."

Favors Tax Boost
Head said that he favored raising the tax rate limit, but maintains that there should be a limit. "By raising the limit to \$125," said Head, "the city can provide funds for the departments that need them without having to turn back to the employment of a city assessor and city tax collector. At the present time the city has no assessor or tax collector and has had none for many years."

The city accepts the county assessment and has its taxes collected by the county. Since the county assessment is low, the city has frequently found it hard to raise enough money to run the city government, the reason being that the tax rate limit of \$1 was too low. By allowing the raise of the limit to \$125, the city will like to be saved the necessity of instituting a city assessor and city tax collector."

Head considers the measure to be a step in favor of economy and efficiency. In discussing the proposed legislation Head said that he had prepared these bills, after talking the matter over with the city trustees and Mr. Hartman, for the purpose of enabling the city to accomplish two main purposes for which the proposed and defeated city charters were submitted. He feels that the legislative method of accomplishing these purposes is simpler and less expensive and more easy of accomplishment than by the method of adopting a special city charter, and is free from some of the features of the proposed city charters which, in his opinion, were undesirable.

FRAME BILLS TO AID INCORPORATION

(Continued from Page 9)

in the less chance they would have to carry incorporation. "Several years ago," said Attorney Head, "a law was enacted ordering that a city of the sixth class make its boundaries conform to the school district boundaries. That is, no part of a school district should be partly in an incorporated city and partly out. This caused a great deal of confusion. No one knows of any good reason for getting the law in the first place and there is surely no good reason for keeping it."

Sets \$250 Fine for Wild Driver

Joe Ballas, 18, who resides on West Fifth street, was arrested late yesterday by Chief Criminal Deputy Ed McClellan and Jailer C. D. Flowers, on a charge of reckless driving. An hour later he was found guilty in justice and fined \$250. Unable to pay the fine the youth was locked in the county jail.

Ballas was intoxicated at the time of his arrest, according to the evidence adduced.

Attorneys today are endeavoring to prove the youth is not yet eighteen years of age in the hope of having his case turned over to the juvenile court.

VARIED VIEWS ON HANGING ABOLITION

(Continued from Page Nine)

tal punishment but my judgment is that it is right and should not be abolished.

"While I was at Salem, the capital of Oregon, the state abolished capital punishment. A young man waited until after midnight to see if it carried and then went and murdered a young lady. Within a few weeks after the repeal of the death penalty, the warden and two prison guards were killed. Oregon went back to the former practice."

U. S. Has More Murders
"The United States has had more murders in one year than Canada has had in hundred years. Why? When a man commits murder in Canada he knows what to expect. "The protection and safety of human life is the first and a paramount concern of society. Because of this the law of the punishment is not to reform the murderer but to insure protection of innocent people."

"I firmly believe that if the sentence of death was promptly and firmly executed, we would have fewer murders. I believe that honor and virtue are of more value than physical life and that the state has the right to resort to capital punishment to that end. An entirely different view to that expressed in the foregoing statement is that voiced by a local hotel man, a prospective juror—Earl Busby, manager of Hotel Cooper."

Opposes Mosaic Law
"The efforts to abolish this God-defying, barbaric and, I might add, blasphemous form of punishment, should not only be commended but have the support of all right-thinking men and women, regardless of race or religious belief."

"None but Almighty God can give life, and no group of men, whether acting individually or collectively, whether under cover of lynch law or under legal authority, can take the life of a human soul. To send a human soul to his Maker through violence and against his will is a direct violation of that commandment which says, 'Thou shalt not kill.'"

"It is beyond my understanding how any sincere and earnest Christian, to whom religion means something more than lip service, be he governor, legislator, prosecutor, or member of a jury, can consistently be instrumental in inflicting the death penalty and still be at peace with his God and conscience."

Upholds Death Penalty
Opposition to abolition of the death penalty is registered by District Attorney A. P. Nelson.

"It seems to me that there may be grave possibilities of a very immediate nature in an attempt to do away with this form of punishment. From what I have been able to observe in the course of my office, there are cases where no other form of punishment will meet the situation. The death penalty is the proper punishment for a cold-blooded, premeditated murder."

"The death penalty is seldom imposed in cases of murder committed under impulse of the moment or under great provocation, in which cases the interests of the accused are well protected by the jury, with which hangs the fate of the prisoner."

The district attorney added, however, that he was opposed to imposing the death penalty in convictions based on purely circumstantial or unsatisfactory direct evidence.

Says Rich Never Swing
Citing a number of instances where wealthy men, charged with murder, were practically immune from the death penalty, owing to social position, influential associations, and ability to employ high-priced counsel.

C. M. Becker, well-known Santa Ana barber, 316 North Main street, another prospective juror, declares capital punishment is an unjust law because it never reaches the rich man. Denying that the infliction of the death penalty has desired results, he continued:

"We seem to be foolishly deluding ourselves with a sort of hysteria that capital punishment is a

Hiding a rash won't heal it

Attempts to conceal complexion blemishes usually fail, and only serve to draw attention to the defects. Underneath most unattractive skins is a clear, pleasing complexion—all that is needed is the proper treatment. It is surprising how often a brief use of Resinol Ointment and Resinol Soap will clear away blotches, redness and roughness and give the skin its natural freshness and charm.

Ask your druggist for Resinol.

RESINOL

Lost Cities

The old question whether a thing can be lost when you know where it is applies in part to lost cities, because the sites of many of them are known, and in some cases even the buildings and statuary are almost intact.

Now, however, their only inhabitants are the beasts of the jungle; lions prowling through their fretted echoing halls, monkeys race across their fretted arches, and snakes lurk in their dark dungeons or glide across their crumbling pavements.

For instance, the holy city of the Buddhists, Barabodoe, in Java, had been forgotten for six hundred years when Sir Stamford Raffles re-discovered it and its wonderful temple, the eighth wonder of the world.

The jungle of Siam has hidden its ancient capital, Ayuthia, for four centuries. Its inhabitants fled before the conquering Burmese, and never returned. It is now said to be the lurking place of thousands of enormous snakes.

Mystery surrounds the dead city of Thihet, which Capt. Rawling discovered. It is a vast collection of palaces, monasteries, and dwelling houses, but the Thibetans professed ignorance of its existence and also of the reason for its abandonment.

Annual Meeting of Scout Backers Is Set for Feb. 24

The annual meeting of the Boy Scout organization will be held in the American Legion home February 24, Roland E. Dye, scout executive, stated today. The date marks the closing of the scoutmaster training institute and the presentation of certificates to those who have passed tests will be a feature of the gathering.

The meeting will begin with a 6:30 o'clock dinner for men interested in scout work and their ladies. Reports of scout activities during 1924 and plans for 1925 will be given.

Regarding the monthly paper which the organization will publish, Dye stated that 30 names have been submitted in the contest. The contest closes February 5, at which time the judges will select the best name submitted. The winner will receive either a one year's subscription to Boys' Life or a pocket kit.

helpful preventative of crime; on the contrary, its brutal affects, as pointed out by prominent jurists and sociologists, stimulate slayings. "Violence breeds violence," though clothed with authority. Supporting this contention is the fact that countries and states where the death penalty has been abolished, have less capital crimes in proportion, as compared with those which are still retaining this brutalizing and barbaric form of punishment."

West Defends System
Opposition to abolition of capital punishment is voiced by Judge Z. B. West of the Orange county superior court. While he holds that the degree of punishment should be in accordance with evidence presented in cases where there are extenuating circumstances, he does not believe that a sentence of life imprisonment, even though beyond parole or executive clemency, would serve the purpose of the death penalty.

He further says that while capital punishment is not an all-cure against taking of human life, it certainly tends to lessen the number of murders. Rev. P. F. Schrock, pastor of the First Congregational church, declined to make a statement. He said he is not clear enough in his own thinking on the question to be quoted. A similar attitude was adopted by other clergymen whose views were solicited.

That the infliction of the death penalty is in itself an unjust punishment on the heads of innocent people—the near relatives of the condemned man or woman, subjected to unmerited humiliation and anguish, is the consensus of a large number of citizens interviewed on the subject.

It is generally agreed, however, by all parties voicing opinions for the proposed abolition of capital punishment that the sentence should be life imprisonment and nothing short of a plain case of mis-trial, error, or new testimony should ever open the prison doors to a "lifer."

ACIDS IN STOMACH CAUSE INDIGESTION

Create Gas, Sourness and Pain

How to Treat

Medical authorities states that nearly nine-tenths of the cases of stomach trouble, indigestion, sourness, burning, gas, bloating, nausea, etc., are due to an excess of hydrochloric acid in the stomach and not as some believe to a lack of digestive juices. The delicate stomach lining is irritated, digestion is delayed and food scours, causing the disagreeable symptoms which every stomach sufferer knows so well.

Artificial digestants are not needed in such cases and may do real harm. Try laying aside all digestive aids and instead get from any druggist a few ounces of Bisurated Magnesia and take a tablespoonful in a quarter glass of water right after eating. This sweetens the stomach, prevents the formation of excess acids and there is no sourness, gas or pain. Bisurated Magnesia (in powder or tablet form—never liquid or milk) is harmless to the stomach, inexpensive to take and is the most efficient form of magnesia for stomach purposes. It is used by thousands of people who enjoy their meals with no more fear of indigestion.

Laguna Beach

LAGUNA BEACH, Jan. 30.—The Women's club of Laguna Beach will meet February 6 and hold the regular business meeting in the morning at the Laguna Beach art gallery, followed by bridge and tea at the Arch Beach tavern at 2 o'clock. At 6 o'clock a special dinner will be served by Mr. Lantz, the host at the tavern, to the members of the club and their friends. The club has invited representative members from all other local organizations to attend this dinner. Dr. William C. Minifie will speak on civic questions as they affect Laguna Beach. Dr. Minifie has studied these phases of civic life in other communities and in other countries. A talk will be given

during the afternoon on "Gardens of the South Seas." Several speakers from other towns are expected to attend. These talks it is expected will deal with conservation of all the points of natural beauty, the question of playgrounds and the public places of entertainment and things in general that will not only serve to attract people to the beach but will help to keep them here. Mrs. Loren P. Crane is in charge of the entertainment, and will be assisted by Mrs. Julia Browne Storde, Mrs. Joseph S. Thurston, Mrs. R. W. Purpus, Mrs. H. G. Heisler, Miss Lolita Perine, Mrs. F. D. Pettus, Mrs. R. Clarkson Colman, Mrs. William Swift Daniell. The hospitality committee will consist of Mrs. George S. McCue, Mrs. A. S. Hall and Mrs. F. Andrews. Mrs. R. H. Macbeth will represent the Laguna Beach Chamber of Commerce, Mrs. R. W. Peacock the P.T.A.; Mrs. A. B. Marshall, the library board, Miss Anna Hills the Laguna Beach Art association; Mrs. Frank B. Champion the Community club; Mrs. J. W. Skidmore, the Real Estate association, and Mrs. A. H. Burkholder the Community church.

The P.T.A. will meet on February 13 to celebrate the 28th birthday anniversary of the National Federation of the Congress of Mothers. The P.T.A., which is a branch of the larger organization, took one of the first steps in organizing the mothers of the nation so that they could work in unison with the teachers to the betterment of educational conditions, and the general welfare of their children. An article "Helping the Child to Choose a Vocation," will be discussed.

People of the United States own 87 per cent of the world's automobiles. Japan has adopted the metric system of weights and measures. The first steam heaters have been installed on Japanese trains. More than 4,000,000 volumes are in the British Museum. Jellyfish can live at a depth of 6,000 feet in the ocean. The United States has more than 15,000,000 telephones, far more than any other country in the world. The federal government spends more than \$10,000,000 yearly to enforce prohibition. The first rotary club was organized by a tailor, a coal dealer and a mining expert. The racing prizes on the Kentucky turf last season totaled more than \$1,500,000.

Criminal Court Gets Jazz Girl Slaying Trial

SAN FRANCISCO, Jan. 30.—Dorothy Killingson, 16-year-old "Jazzmaniac" who confessed to killing her mother, must stand trial for murder.

Judge Frank Murasky of the juvenile court late yesterday com-

mitted her to the criminal courts for trial and within thirty days the district attorney will file formal information against her.

Although the ruling of Judge Murasky was a bitter disappointment to Dorothy, she seemed in good spirits today as she prepared for transfer to the county jail.

**cure them
at home with
chlorine**

Chlorine gas as a cure for colds and other nasal affections was accidentally discovered by government chemists during the influenza epidemic. Nothing known will cure a cold as quickly. On a recent test under official observation over 90 per cent of patients treated were cured of their colds in just the first application. Heretofore chlorine gas treatment could be had only at big expense of time and money. Now in your own home for just a few cents you can break up a cold immediately. CLORO-SPRAY liquid is a new scientific combination of chlorine gas and rare healing oils prepared under medical direction. It is absolutely safe to use, containing just the right amount of chlorine to kill the germs in the throat and nose.

CLORO-SPRAY takes hold of a cold instantly. You immediately feel its soothing effects upon the inflamed membranes and it opens up the air passages so quickly its curative powers seem almost magical.

STUBBORN COUGHS
If your cold is accompanied by a cough, take Chloro-spray. Physicians prescribe it because it is free from drugs and strikes at the internal cause. Guaranteed to relieve any cough or your money back.

FORMER SAILOR FALLS IN TRAP SET BY POLICE

Ernest Palmer, 26, ex-sailor, who, police say, is known by several different names in Southern California, walked into a cleverly-planned trap executed by the police last night and as a result is being held in solitary confinement in the Orange county jail, on suspicion of burglary.

Palmer will be officially charged with entering and robbing the F. S. McClain cigar and soft drink stand at 306 Birch street, while several other charges, one of which will be impersonating an officer, will also be filed against him, it was intimated today by police.

Cigars and Money Stolen
The McClain store was robbed Wednesday night, and several cartons of cigars, a number of boxes of cigars, money amounting to several dollars and a motorometer were stolen. The "loot" was found by officers in the Masonic Boy Scout hut on West Third street, near Birch park.

Under cover of darkness, officers removed the loot to the police station and placed a "plant" at the hut. Several officers, including Lentz, Mohr and Smith, stood guard at the hut. At 8:20 p. m., Palmer appeared in a car, and when he entered the hut was arrested.

An effort is being made to determine whether Palmer stole the automobile, which he used last night in which to go to the scout hut.

It was also intimated today that police were trying to identify Palmer with a long list of burglaries which have taken place here during the past five months, the length of time Smith admitted he had been in Santa Ana.

Fred from Naval Prison
He was discharged a year ago from the U. S. Naval prison at Mare Island, according to police, and is also known to police in Long Beach, Los Angeles, San Diego and several other Southern California cities, under the names of Everett Hutchens, Robert Keyes, R. Keyes and others.

When searched, officers claimed they found a deputy sheriff's badge on him and they say they can find at least one witness who will testify that Palmer has stolen his badge as an officer here.

Palmer was arrested by city police early in the month and was held on a vagrancy charge, later being released. At that time, police found a jimmy on his person, records show.

You And Friends

Please Phone or Mail Items

Louis Bettcher today had returned to his home at Compton, following a visit here yesterday to his son, C. J. Bettcher, proprietor of the Orange County Engraving company.

Mrs. Charles Koegler and her son Jean Koegler of West Hoboken, N. J., have arrived in Santa Ana to spend three months with her son-in-law and daughter, Mr. and Mrs. E. L. Flannigan at 1123 West Fifth street. Mrs. Flannigan hopes to have her entire family located here in the near future.

Mr. and Mrs. Anthony Hoffman of 217 East Fifteenth street, who have resided in Santa Ana for the past two years, left for the Santa Fe yesterday for Remsen, Ia., where they will make their home. Mr. and Mrs. Hoffman have made many warm friends here who will regret to see them leave.

Mrs. Eva Louise Vivian, who has been in Santa Ana with her parents, Mr. and Mrs. J. E. Johnson, 1002 West Bishop street, left yesterday on the Santa Fe Missionary for her future home in Carthage, Mo., to which place Mr. Vivian preceded her two weeks ago. They have lived here for the past two years.

Mrs. Stella E. Smith of 418 East Fourteenth street was among yesterday's Santa Fe passengers, her destination being Rapid City, S. D.

C. J. Segerstrom and his son, W. O. Segerstrom, of Fairview are leaving over the Southern Pacific tonight for a brief trip to Modesto, where they have farming interests.

Mr. and Mrs. Albert Schroeder and their daughters, the Misses Grace and Alice Schroeder of Milwaukee, Wis., are making a visit to their old friends, Mr. and Mrs. T. Douglass and family of 626 North Broadway.

Dr. Mary E. Wright will pass the week-end on a business trip to Los Angeles and Pasadena.

Mr. and Mrs. Alfred Anderson and Carl Hoffman of Greenwood, Neb., who have been guests for the past week at the home of their friends, Mr. and Mrs. John Penn, 519 North Van Ness avenue, have gone to Hollywood. The visitors were greatly surprised with Santa Ana and Orange county and hope to make this their home in the future.

Mrs. Helen Frye and family, who have resided for years at 514 West Sixth street, have moved to the Buck apartments, 127 South Main street.

Mr. and Mrs. H. T. Jones are returning Monday to their old home at 519 West Fifth street, from which they moved three months ago.

John Penn, who has been employed for a number of years with the Wright Transfer company, has severed his connection with the firm, and has started a trucking business of his own, with his office at his home, 519 North Van Ness avenue.

Mr. and Mrs. B. Uttley went to Venice today to attend the funeral of Mrs. Uttley's sister, Mrs. Ella Spaulding, widow of the late J. P.

Wintersburg-Smeltzer

WINTERSBURG AND SMELTZER, Jan. 30.—Word has been received here of the departure for Oklahoma of Mrs. S. T. Burgess, who will join one of her daughters in her home. Mrs. Burgess, since the breaking up of the home here at the time of Mr. Burgess' death, has passed the greater part of her time in the home of her daughter, Mrs. Claude Graham, at Puente, but as the Grahams have gone to Stockton, Mrs. Burgess decided to make the trip east.

Mr. and Mrs. Ernest Beem and family, Mr. and Mrs. Raymond Beem and baby, Mr. and Mrs. Paynes and daughter, Mildred, and Mrs. John Murdy and daughter Ella, enjoyed a trip to Laguna Beach, Sunday.

Mr. and Mrs. G. M. Roberson had as callers Mr. and Mrs. J. A. Johnson of Iowa, who are spending the winter in Long Beach, and Mr. and Mrs. I. M. Johnson and Miss Davis of Washington.

Mr. and Mrs. J. J. Graham were Long Beach visitors Monday, spending the day at the home of their son, Riley Graham.

Spaulding, former resident of this city. Mrs. Spaulding was a native of England and died suddenly from pneumonia at the home of her daughter, Mrs. Floyd Edwards, with whom she has resided since the death of her husband, six weeks ago. Mr. Edwards is managing editor of the Los Angeles Herald.

Mrs. George Tozer of 206 North Ross street left last night over the Union Pacific for Delta, Utah, called by a death in the family.

Mrs. Carl Mock, Mrs. Lottie Gerard and Mrs. I. A. Mechem motored to San Bernardino yesterday to spend the day with Mr. Mechem's sister-in-law, Mrs. Lucy Mechem.

Mr. and Mrs. Charles L. Davis of 1517 North Ross street are enjoying a week-end visit from their friend, Mrs. E. E. Hardin of Holtville, Imperial valley. Mr. Hardin has gone north on a business trip, and will rejoin his wife here later.

Friends of the Rev. Father St. John O'Sullivan, pastor of the Mission San Juan Capistrano, will be grieved to know that he is ill at Palm Springs. The Rev. Father P. Tritz of Laguna Beach is in charge at the mission.

Mrs. Fred Dierker of 909 Lady street yesterday received a wire announcing the death of her mother, Mrs. Mary A. Mittelberger on January 28 at St. Charles, Mo., after a long illness. The funeral will be held tomorrow with mass to be said at St. Joseph's church here in the morning at the same hour.

Miss Laura Dugan of Los Angeles, is a guest at the home of Mr. and Mrs. Fred Dierker. She is a cousin of Mrs. Dierker.

Mr. and Mrs. Lincoln J. Carden were to return to their Los Angeles home today after an overnight visit with the family of their daughter, Mrs. J. S. Hill at 730 Minter street. Mrs. Carden was down to attend the Burns-Armist "At Home" for Mrs. Clifton Good-knight of Honolulu.

NUMISMATIST HAS COINS OF GREAT RARITY

Collecting rare coins is the hobby of F. E. Young, 606 Fruit street, and his collection is one of the best seen here in several years, according to employees of the First National bank, who viewed several of the more rare coins Young had on display there yesterday.

Coins that date back 100 years or more, and coins that scores of Santa Ana people possibly never knew had been minted in this country, are in Young's possession.

One of the most valuable pieces of money that Young has collected is a penny dated 1853, but it is entirely different from the penny of today. The "heads" side of the coin is very similar to the penny of 1924, but the eagle on the reverse side is not the stately bird that adorns most of the silver money of today, but is an eagle in flight. Young calls it his "flying eagle" coin.

Young also has a silver dollar, dated 1795. There are fifteen stars on it indicating two states had joined the Union, in addition to the thirteen original colonies, at the time the coin was minted. The likeness of George Washington is on the "heads" side. The coin itself is larger than the dollar of today and instead of the "nicks" on the edge of the dollar appear the words, "one hundred cents." The metal is pure silver, much more soft than the metal in a modern dollar. In all his collection, Young prizes this piece more than any other.

Another valuable coin Young has is a Hawaiian dollar, the last of a series minted while a king ruled the Hawaiian islands. It is dated 1883 and the picture of Kalakaua adorns one side of the coin. Kalakaua was the last king of the islands.

A United States trade dollar, issued during the panic of 1877 and 1878, is another valuable coin Young is saving.

Salvage

Admiral Sir Sidney R. Fremantle, the naval commander-in-chief at Portsmouth, England, recently expressed the admiralty's appreciation to the officers and crew of the salvage ship Racer, who recovered five million pounds (normally 25 million dollars) worth of gold and silver specie from the liner Laurentic, torpedoed off the west coast of Ireland in 1917.

He stated the Medal of the Order of the British Empire, civil division, had been conferred upon the officers and men engaged in the work and several of the divers were to receive promotion. One-eighth of the total value of the gold recovered from the Laurentic this year, estimated at 200,000 pounds (normally one million dollars), is to be distributed among the members of the expedition. From the Continental Edition of the London Mail.

About 15 per cent of all positions in the United States Civil service are filled by women.

Democrats Rally for Next Campaign

COLUMBUS, Ohio, Jan. 30.—In the party's first big rally since its defeat in the November elections, state and national Democratic leaders sounded the battle cry of

the next campaign at the annual Jackson day banquet here last night.

Senator Pat Harrison of Mississippi delivered a stirring appeal for a concerted drive on the protective tariff policy of the Republican party. This issue, he said, will be the keynote of the 1928 presidential campaign.

Garden Grove

GARDEN GROVE, Jan. 30.—Miss Elizabeth Brown entertained a party of friends in honor of her brother, Virgil Brown, who has been spending several days with his parents, Mr. and Mrs. J. E. Brown. He is farming in Imperial valley. Guests included Mr. and Mrs. Walter Dungan, Miss Marguerite Young, Miss Jessie Dungan, Mr. and Mrs. Emmett Smith and Albert Schneider.

Mr. and Mrs. L. Nell of Los Angeles were recent visitors at the home of Mr. and Mrs. S. E. Fuller. Mr. and Mrs. W. C. Burns of Fort Wayne, Ind., and Mrs. Jessie Burns and son of Santa Ana were Sunday guests of Mrs. Beardsley.

R. E. Linden, supervisor of the road department of the Cedar Point Park company, spent Sunday with his family here.

Miss Effie Jessup has returned to Los Angeles, having spent a few days with her parents, Mr. and Mrs. Thomas Jessup. Miss Jessup is attending Southern Branch, University of California.

Miss Amy Redd, assisted by Miss Ellen Dodson, entertained the dramatic class of the high school recently at the home of H. G. Hevener. After rehearsing "The Charm School," which will be presented at the grammar school the evening of February 6, a social time was enjoyed and refreshments were served.

Mrs. G. W. Etchison and son, Charles, spent Sunday with the former's sister, Mrs. F. H. Cochran, in Riverside.

Mr. and Mrs. E. A. Abbot of Keaman arrived Thursday at the home of Mr. and Mrs. C. N. Franks for a few days' visit.

Mrs. Dora Risley of San Diego is visiting her cousin, Mrs. A. Aabel.

Mrs. R. B. Valle and son, Robert, of Alhambra were visitors Thursday at the home of Mr. and Mrs. J. D. Price.

Mrs. C. N. Franks has returned after a visit at the home of Mr. and Mrs. S. R. Haynes in Los Angeles.

Mr. and Mrs. Harry Ames visited Mr. and Mrs. Robert Glendenning, acquaintances from North Dakota, at Sawtelle, recently.

Mr. and Mrs. S. S. Jackson returned Monday evening from a week-end visit with relatives in Los Angeles.

Mr. and Mrs. Clarence Epps and grandson of Riverside were recent guests of Mrs. Sarah Epps.

Allison Waring of Sioux Falls, S. D., was a visitor Tuesday at the F. S. Hill home.

John Ward and C. E. Weetech attended the Kansas picnic in Long Beach Thursday.

Mr. and Mrs. H. S. Schingler of Stockton, Mr. and Mrs. W. R. Valentine and Mr. and Mrs. Ellen Killar of San Diego were recent guests at the home of Dr. and Mrs. O. U. Lavendahl.

Mrs. Thomas Hishop and Mrs. Lyle Pice and son, Edgar, of Gardena were recent visitors at the home of their cousin, Mrs. E. Beardsley.

Blanket of Ice Two Miles Thick Covers Greenland

NEW YORK, Jan. 30.—Investigating scientific reports, the world's largest block of ice is found in Greenland, where the millions of years have built up a blanket of ice approaching two miles in thickness that covers vast areas, has filled valleys and buried mountain ranges, obliterating the surface as nature provided it, until, in fact, as well as in son, Greenland is an icy mountain, crowding its vast icebergs into the ocean year after year, and retaining, scientists claim, enough of ice to cover the United States with a blanket of gleaming crystal about 1000 feet thick.

Stage and Screen

Corinne Griffith in a scene from "Love's Wilderness," current attraction at the Yost theatre.

TONIGHT'S ATTRACTIONS. YOST—Vaudeville and "Love's Wilderness" with Corinne Griffith.

WEST END—"Teeth," with Tom Mix.

WALKER—Vaudeville and "Smouldering Fires," with Pauline Frederick and Laura La Plante.

FILM STAR IS GRADUATE OF YALE COLLEGE.

Malcolm McGregor, who plays the romantic lead in "Smouldering Fires," current attraction at Walker's theatre, was graduated from Yale and shortly thereafter came to California because he liked the climate. He entered motion picture work without previous theatrical experience and made rapid progress. Pauline Frederick and Laura La Plante are co-starred in "Smouldering Fires," which tells the love tragedy of a middle-aged woman who gives up her young husband to make him and her happy.

WONDER DOG AND HORSE IN MIX PICTURE.

Many people who see "Teeth," Tom Mix's newest picture, now showing at the West End theatre, will doubtless believe that the wonderful and almost human actions of Tony, the wonder horse, and Duke, the thinking dog are a result of training.

"We have never trained Tony," said Mix, "nor have we taught Duke tricks. I have owned both since they were youngsters. Pains-takingly at times I have showed each what I wanted of them and always have they understood. When it comes to training, as understood by men who do this kind of work, Duke and Tony know nothing."

ACTOR IN YOST PICTURE HAS COLORFUL CAREER.

Twice with a million dollars at most within his grasp—now a minor player in the movies.

That tells the story of Peter Burke, who plays in Corinne Griffith's new drama, "Love's Wilderness," now showing at the Yost, Burke serves a triple purpose in the pictures. He designed the South Sea Island sets, plays a role and acted as technical expert to the director.

Burke is one of the strongest characters in films. He was born in London thirty years ago, and in his veins is an admixture of Scotch, Irish and Spanish. Most of his life has been spent in the Orient, including five years' service in the last war with the British cavalry in Egypt, Mesopotamia and Gallipoli.

Two great fortunes have been within his reach only to be wiped away by market collapses. For four years he labored planting rubber in the Malays, cultivating vast areas, only to lose all when the market dropped. From there he went to the South Seas, lured by the huge profits in copra and pearl shell. But after gaining a commanding position in this field the copra market broke and his pearl shell could find no buyers.

Burke then drifted to the United States. He has had some success here as a writer. Through friendships made with picture men who came to the South Seas he entered films. He has played supporting roles in "Cameo Kirby," "Cause for Divorce," "Dusk Till Dawn," "Lullaby" and others.

The Geological Survey denies knowledge of dry springs that start flowing just before the end of a drought.

The Department of Agriculture says there are 608,000,000 acres of potential crop land in the United States, now being tilled.

France has five broadcasting stations and Great Britain nine, as compared with nearly 600 in the United States.

Seventy-four lives were saved around the coast line of Great Britain last year through the use of ship rockets.

So clear is the water in some of the Norway fjords that objects can be seen at a depth of more than 100 feet.

Scientific experiments tend to show that the speed of meteors whose blazing rocket trails can be seen in a clear night sky is 45 miles per second.

One of the largest contributions to a University of Missouri fund was given by a man who cannot read or write. He placed his symbol on a check for \$3000.

A universal manhood suffrage bill is before the Japanese Diet, with excellent chances of passage this year, having been approved by the cabinet.

To combat a wave of hydrophobia, Yokohama, Japan, officials will fine anyone \$250 if he leaves his dog unchained.

DRAFT COCK FIGHT RULES

PANAMA, Jan. 30.—The municipal council publishes a decree in 24 sections laying down rules for public cock fighting. The birds may be matched with or without spurs, or with savage spurs. An official referee must be present and the rules provide for intervals when a bird becomes exhausted and reluctant to continue to the death.

FLIER REACHES TOKIO

TOKIO, Jan. 30.—Major Pedro Zanni, Argentine aviator, whose world flight attempt failed when his plane broke down at Kasumigaura last fall, flew safely to Tokyo today.

The ocean water at Deauville, famous French watering place, was warmer on Christmas Day than it was in mid-August.

STOPS MORTGAGE FEE

NEW YORK, Jan. 30.—When Attorney William L. Greenbaum sued to collect money for his services in closing a church mortgage, the judge told him lawyers should not expect payment from churches and refused the application.

The frog is used by scientists in the study of cancer and several other diseases.

Great Britain To Enter Air Race to Pole

LONDON, Jan. 30.—It is learned that Great Britain intends to enter the air race to the North Pole with an expedition next May under the leadership of a young Icelandic, Grettir Algarsson, and Capt. Frank Worsley, who commanded the late Sir Ernest Shackleton's ships, the Endurance and the Quest, in their explorations of South Polar regions. The expedition will proceed to Spitzbergen, then northward as far as the ice will permit and establish a base in the neighborhood of 81 degrees north. The final 600 miles air dash to the pole will be undertaken by Algarsson and one companion in a special seaplane fitted with skis and floats.

One Thin Woman Gained 10 Pounds in 20 Days

Skinny Men Can Do the Same

All weak men and women. All nervous men and women. All skinny men and women. Can grow stronger, healthier and more vigorous and take on solid needed flesh in 20 days just by taking McCoy's Cod Liver Oil Compound Tablets four times a day—as easy as taking candy.

And what a bit these flesh producing tablets have made. One druggist tripled his sales in one week.

Every body knows that nasty eating, evil-smelling Cod Liver Oil is a wonderful vitalizer, flesh producer and health creator.

But who wants to swallow the horrible stuff when these wonderful tablets—McCoy's Cod Liver Oil Compound Tablets, are just as good and so easy to take.

A box of 60 tablets for 60 cents and if any skinny man or woman doesn't gain at least 5 pounds in 30 days—money back. Ask White Cross Drug Co., C. S. Kelley Drug Co., Mater's or any good druggists anywhere in America.

Be sure and get McCoy's, the original and genuine, and don't forget there is nothing on earth so good to make backward, listless, underweight children grow strong and robust—adv.

BUT PA THOUGHT IT WAS FINE

Fred St. Onge of the Cycle Trades of America and the bike he has ridden in nearly every large city in the world. St. Onge has been seen on this wheel in the parades he conducted here on former occasions. Tomorrow he will ride the modern bicycle and will give a Safety First demonstration at Poly High field where the parade will end.

HAS COAL, BUT COLD

PITTSBURG, Jan. 30.—A total of 900 degrees below normal temperature was registered here during 1924. It was the coldest year in the history of the city with the exception of 1875.

Radio supplies at Hawley's.

KING BIKE TO REIGN AGAIN IN SANTA ANA

All set, clear the road!

Tomorrow is the day of the Bike.

The one-time "king of the road"

is to have his inning tomorrow morning. Never before has Santa

Ana had an opportunity to witness such activity in the bicycle world.

Old wheels and new wheels have been taken out of basements and

store rooms and oiled up for the big Saturday morning

bike ride and decorated wheel parade starting from St. Ann's Inn.

Are you going to be with them?

Old and young boys and girls are going to be in line. Experienced

riders, who rode in the days when the bike was supreme and boys

who have just received their first wheel will be found together in

parade.

On one end of the line will be found juveniles—their ages rang-

ing from 4 years upwards—on the other end will be older folks who

did "Bicycle courting" some 20 years ago, riding ancient bikes.

No Age Distinction

So don't think of your age. Remember there are prizes for both

the old and the youthful rider who is taking his first spin. Forty

prizes in all.

Some are decorating their wheels, but that is not absolutely neces-

sary. As long as you have a con-

traption that will pass as a bicycle, whether it is new or old, festooned

and bannered, or as it came from the factory, you will be welcome

to ride.

All kinds of machines, from the tandem to the present type of

bicycles, showing the develop-

ment from 1881 to 1925 will be found in line. Younger folks will

have a chance to see the kind of bicycles their dads and mothers

used in their youthful days. Fathers and mothers are bringing their

whole families. Many that haven't mounted a bike in years are wel-

coming this opportunity of getting out for a forenoon of healthful

sport.

It is indicated by reports of local bicycle dealers that considerable

interest has been displayed in the revival of the bicycle. Get out your

old bike and join in this get together bike ride tomorrow morning.

Will "Ride the Plank"

At Polytechnic School Field a demonstration along safety first

lines will be given by St. Onge at the end of the ride. Following the

Safety First demonstration will come the awarding of prizes and

the plank ride in which every rider will have a chance to compete. The

plank can be ridden by the youngest rider in safety. All the schools

of the city will compete in numbers for the Cycle Trades Trophy Cup.

Frances Willard Jr. High won the cup in the last parade held here

and will be out in great numbers for this year's cup. The school

with the greatest number becomes owner of the Trophy Cup for all

time. St. Onge has been seen at several of the Santa Ana schools

and has met with a hearty reception. Tomorrow will be Bicycle

day in Santa Ana.

REDLANDS—Invitations exceeding 400 in number have been sent out by the Ontario Chamber of Commerce to citrus growers, packing house officials, supervisors, service clubs and other individuals of Los Angeles, Orange, Riverside and San Bernardino counties to attend the meeting at Chaffey Union high school Feb. 3 when it is hoped a plan will be evolved for elimination of the sooty smoke evil coincident with smudging in citrus groves during periods of low temperature in citrus belts.

SAN DIEGO.—A gift of \$300,000 by John D. Spreckels to the Sisters of Mercy hospital, for the construction of a south wing, is announced here, together with word that work on the new addition will be started in the near future. The main unit of the hospital was completed last year and some time ago the north wing was started. When the south wing is completed the hospital will have a capacity of 350 beds. Mr. Spreckels' gift will be as a memorial to his wife, Lillie Sieblin Spreckels, who died several months ago.

COMPTON.—The board of trustees has ordered complete plans for the proposed city hall which will be located in the city park and will cost \$75,000. The board will advertise for bids as soon as possible, and construction is to be rushed in order that the building will be ready for use some time this summer.

BARTSTOW.—To handle extensive construction work here, where the business district is to be moved from its present location to a new site, contractors have shipped four

trucks of equipment to Bartstow and will at once begin construction of a number of buildings. The state highway commission has started the grading on the new route of the highway, which, together with yard changes ordered by the Santa Fe, necessitates the moving of the Bartstow business district. The new business district will be along the state highway south of the Santa Fe yards. The present business district is north of the yards.

CORONA.—Completion of the paved road connecting Corona and Elsinore will be marked by a joint celebration by the united citizenry of both towns. The suggestion comes from Elsinore that a common meeting place between the two cities be selected, and at an appointed time citizens meet and have oratory, brass bands, and feasting. Assurance is given that the paved highway connecting the two cities, and which completes the final unit of highway to San Diego, will be ready in the next 30 days.

BEAUMONT.—Beaumont is to have a Rotary club within a short time. A group of members of the Redlands club visited Beaumont recently and met with fourteen business and professional men of Beaumont. With that group as a nucleus the club will be organized in Beaumont Monday night. It is also expected that a Rotary club will be organized at Banning soon.

Wants Decalogue On School Walls

LINCOLN, Neb., Jan. 30.—A bill to require display of the ten commandments on the wall of every schoolroom in Nebraska, was introduced in the state senate today by Senator Johnson, Cheyenne.

For sale, onion sets, 316 E. 3rd. For sale, 25 and 50 foot lengths hose, 316 E. 3rd.

Corset Output Not Affected By Jazz, Claim

WASHINGTON, Jan. 30.—The "jazz age" has had no depressing effect whatever on the production of corsets—on the contrary the number of factories making them and the total value of their output have increased, according to the department of commerce. Production in 1923 was valued at \$78,047,959, an increase of 3.2 per cent over production in 1921, while the number of factories engaged in manufacture jumped from 173 to 218. More than 16,000 persons are at present engaged in the industry.

'Clean-up' Threat Is Made by Klan

PHILADELPHIA, Jan. 30.—Un- less police and civic authorities put a check on "open violations of the law, the Ku Klux Klan threatens to take a hand in the cleaning up of Philadelphia." Paul M. Winter, klan leader of Philadelphia, announced in a statement today which he said may be taken as "official warning" of the klan plans. Safety Director Butler said he would confer with City Solicitor Gaffney and other advisers concerning the klan threat.

Nearly 50,000 Japanese files have been imported by the Department of Agriculture to battle the Japanese beetle which has played havoc with orchards along part of the Atlantic coast.

For Sale—Spanish shelled peanuts. Mitchell & Son, 316 E. 3rd.

Dike Keeper Who Saved Allies In 1914 Is Dead

BRUSSELS, Jan. 30.—Jan Geeraert, keeper of the locks of the Yser canal at Nieuport where it enters the sea, who served the allies in October, 1914, by flooding the countryside and holding up the advance of the German hosts, died after a short illness of grip. With the Belgian army driven south from Brussels after the capture of Antwerp and Zeebrugge, and the French troops miles away, the allies were powerless to arrest the advancing German hosts until Geeraert thought of the plan of opening the dikes and flooding the country. Uhlans, bicycle troops, armored cars, and infantry suddenly found themselves unable to advance. The German struck inland to avoid the flooded area, but British and French reinforcements rushed to Ypres and stopped them. After the war Geeraert was decorated.

ONLY ONE MONOCLE

LONDON, Jan. 30.—The National Portrait Gallery, which is compiling photographs of the distinguished men and women of Great Britain, has found that more women than men refuse to pose for their photographs. Many of the leading British women also have refused to approve the photographs. Only one man in the collection wore a monocle while being photographed. He was Austen Chamberlain.

The Japanese people are becoming more thrifty, postal savings deposits on Dec. 1 totaling 1,109,514,079 yen for 29,526,631 depositors. This was an increase of 10,114,091 yen during the month. Food and cloth recently have been made by scientists from common swamp cattails.

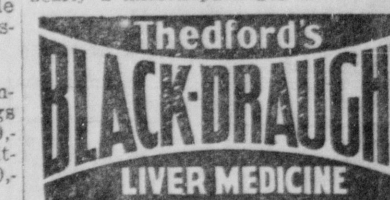

SEES NO NEED OF CHANGING

Arkansas Man Is "Perfectly Satisfied" With Black-Draught and Takes No Other Liver Medicine.

Wiville, Ark.—Mr. H. B. Wilkerson, of this place, says that for 56 years his health has been so good he only once has had to place himself entirely in the care of his family physician. But Mr. Wilkerson has taken medicine, when needed, for his ailments. "I have used Black-Draught for at least thirty-five years. It is my medicine. I use it for indigestion or biliousness.

"When I feel the least bit bad, I go and take a dose of Black-Draught. After it acts I feel all right again. I am perfectly satisfied with it and do not find any need for any other medicine—I do not see any need for changing around when Black-Draught gives satisfaction, and it certainly does in my case."

Thousands of others have found satisfaction in the use of Black-Draught in cases of indigestion, biliousness, headache, and constipation, when caused by a torpid condition of the liver. Black-Draught is a purely vegetable medicine, with a record of success extending back more than eighty years. So extensive is the popularity of Black-Draught, for liver ills, that druggists and retail dealers now sell nearly a million packages a month.

Dr. C. A. Custer, dentist, now located Walker's theater building.

SANTA ANA **DEPT STORE**

To All Car Owners:

We respectfully ask that you take advantage of having your brakes tested FREE OF CHARGE this week, either THURSDAY, FRIDAY or SATURDAY, January 29, 30 or 31, on the

OFFICIAL BRAKE TESTING GROUNDS,
Fifth Street, between Baker and Bristol

This Association and the Police Department of Santa Ana are sponsoring this Safety Campaign and we all want to make Santa Ana SAFER by knowing that all the cars have good brakes.

Bring in your car any time of the days of testing and you will receive courteous treatment, be given a card showing just what is the matter with your brakes, and if they are O. K., we will give you a sticker for your windshield, showing the public you have had your brakes tested. And then every thirty days always have your brakes tested to keep them O. K.

THIS MAY BE THE MEANS OF SAVING YOUR LIFE
SOME DAY

To All Dealers, Garages:

We wish to assure you all, no matter if you are a member of the Orange County Auto Trades Association or not, that this brake test week is put on as a Safety Campaign to make Santa Ana Safe.

In making the brake test we will not send anyone to any particular dealer or garage man, but the car owner will be given a card saying just what is the matter with his brakes, and it is up to you to make this Campaign a success by giving courteous treatment and be very particular with your work, and to have them come back for final test, or you may bring the car over and have it tested after you have done the work.

NO ADJUSTING WILL BE MADE
AT THE TESTING LOCATION

Fifth Street between Baker and Bristol Streets
All get together and make

Santa Ana Safer

Respectfully yours,

Orange County Auto Trades Association,
By H. A. Shugart, Acting Secretary.

HARBOR LOOP RACE LEADERS CLASH SUNDAY

Poly Midgets Headed For Second S. C. Title

20 VICTORIES
TO ONE UPSET
SQUAD RECORD

Ed Covington's Class C's
Thrill School Long Used
to Court Game Spanking

BY EDDIE WEST
Santa Ana's great little Class C (110-pound) basketball squad, undefeated over a long stretch of brilliant activity, seems headed toward its second consecutive Southern California championship. The team won the title last winter and with virtually an identical lineup is counted on to wreak vengeance this year on some of the schools that usually fatten their bank accounts at the expense of local cage quintettes.

Since the casaba sport was inaugurated here Santa Ana teams have given opposing schools more laughs a season than Andy Gump does the comic strip fans. Poly got a genuine thrill when Ed Covington's midget melon troupe brushed aside the boys last year and it team repeats this annum it is understood a measure is on foot to haul down the traditional white owl from his roost over the administration building and present the solemn bird to the team.

During 1924 and 1925 to date, the Class C's played 21 games, winning 20 and losing the other by a 9 to 3 margin. This in itself is an impressive record without a summary of points showing the locals to have made 453 as against 184 for their opponents in 21 contests. Captain Willard White, Lory Walbridge and Ray Smith are the veterans on this year's quintette. Art Norman, Bill Goodman and Merle Youel are the other first stringers.

Covington's men lost to Whittier last season although this defeat was reversed overwhelmingly in a play-off match for the Coast Preparatory league title. Whittier, incidentally, gave the team its hardest rub this year when Santa Ana won only in the last 30 seconds of play when little Youel caged a shot from the center of the floor.

Since Santa Diego, the school on Poly's basketball list this week, has no Class C quintette, there will be no league activity in this classification tomorrow. The Santa Ana and San Diego B (130-pound) outfit clash at the 'Y' here at 3 p. m. Covington, however, was on the wire this afternoon doing his "durdurde" to schedule a fracas with the strongest available midge aggregation.

"We'll take on any of them," Covington said. "We would like to meet the strongest Class C team in Los Angeles or anywhere else. The team needs some fast competition."

Lory Walbridge, the good looking Poly center, has been on the "fritz" with boils for a week but he is about ready to don his basketball harness again and if the team plays tomorrow it is probable that he will be in there doing his customary chores.

The record of the team for the last two seasons follows:

1923-4 Record
Santa Ana 17, Long Beach 12
Santa Ana 8, Whittier 5
Santa Ana 25, Anaheim 10
Santa Ana 16, Pasadena 12
Santa Ana 14, Fullerton 12
Santa Ana 41, San Diego 11
Santa Ana 13, Pasadena 5
Santa Ana 23, Whittier 4
Santa Ana 28, Sweetwater 4
Santa Ana 19, Downey 7
Santa Ana 26, Alhambra 11
Santa Ana 230 Opponents 95

1924-5 Record

A YEAR AGO TODAY

JANUARY 30, 1924
Miss Thelma Patton of Santa Ana won the singles championship at the Fullerton invitational tournament. The Misses Josephine and Constance Crookshank of Santa Ana were defeated in the doubles final.

The Santa Ana high school girls' swimming club now has a membership of 42. The club takes weekly dips at Huntington Beach. Johnny Stopper and Roy Stuchler fought a draw in the main event at Huntington Beach last night. Toby Montoya outpointed Johnny Leach in the semi-finals.

The Santa Ana high school basketball team dropped to the bottom of the Coast Preparatory league when Whittier's quintette was victorious, 28 to 18.

TO PROSECUTE
PERSONS WITH
ABALONE HERE

Fish and Game Deputies to
Conduct Warfare Against
Violators In County

Warning that persons apprehended taking, selling or even with abalone in their possession in Orange county will be prosecuted to the full extent of the law while the season is closed, Ed Adkinson, deputy state fish and game commissioner, announced here today.

The state's campaign in Orange county will begin at once, Adkinson stated, and will be conducted during the entire period it is against the law to gather the ocean food. The season is absolutely closed between January 15 and March 15.

Deputies Savage and Hull arrived here yesterday to aid in the patrol of the Orange county ocean front.

"The abalone season closed January 15," Adkinson said. "When the tides were unusually low last week scores of persons on the waterfront picked up abalone. We caught a large number of persons in the act but allowed them their freedom after a vigorous warning."

"There will be no more warning after this. We have been instructed to arrest every violator of the law."

Adkinson as well as Deputies Savage and Hull, sent here from the Los Angeles office of the State Fish and Game commission, said the warfare would be directed against persons who sell abalone or who may have them in their possession as well as against persons actually discovered taking them from the ocean.

Bowling News

A-B BOWLERS SEEK SERIES
WITH BROADWAY TEAMS

This communication, received by The Register today and printed in this column without comment, will be of interest to bowlers of both the A and B and Broadway alleys.

"The following three teams representing the A and B alleys in their respective classes would like to play a home and home series with teams of similar rating representing the Broadway alleys."

"Class B-Crawford (169); Dawson (158); B. West (157); Lane (161); Walker (168)."

"Class C-Mull (157); Rye (155); Torrens (151); L. Brannon (154); Woods (162)."

"Junior - Snee (151); Addis (153); F. West (141); McPike (151); McConnell (144)."

CHANDLER FIVE WINS 4-0
SERIES FROM GAS CO.

Coming back into the Broadway league race after a disheartening start, the Chandler Furniture company's crack maple murdering lineup withabashed the Southern Counties Gas company five last night. Stilton had high games of 204 and 214 and best series of 550. The scores:

Chandler Furniture Co. 1st 2nd 3rd Tot.
Born 147 147 147 441
MacOrkendale 151 149 149 449
Stilton 132 204 214 550
Elliott 122 139 174 435
Jones 169 184 191 444
Handicap 1 1 1 3
Totals 772 821 807 3406

ONE OF BEST.
One of the best track and field feats of the 1924 season was the record-breaking leap of Robert Legendre, former Georgetown star. Legendre cleared 25 feet 6 inches at the Olympic games last summer. His jump beat the old mark by three inches.

Chicago Americans
Buy Star Infielder
From Wichita Club

JOHNNY BUTLER

The failure of Willie Kamm, third baseman of the White Sox, to hit up to major league standards, has caused Owner Comiskey to buy another promising infielder.

Johnny Butler of the Wichita club of the Western League was recently purchased by the Chicago Americans. In five seasons he has batted better than .300. His mark last season was .350.

For three seasons Butler has been voted the most valuable third sacker in the league.

S. A. BOWLERS
LOSE OUT 3-1
TO CITY FIVE

Still "fiddling" away its championship prospects, the Bowles Motor company squad of Santa Ana dropped a 3 to 1 series to the Polson Oaks in a Southern California Bowling league contest at the Treosti alleys, Los Angeles, last night.

Except for Max Ames, the local representatives were sadly off form although in the second game they snapped out of their lethargy to win by almost a 100 pins. Penny Jones, highest individual average shooter on the squad, had a 481 series. "Larry" Larrison had one good game. Martin was next to Ames in total pins but Captain Bill Gordon was about 75 pins below his usual effectiveness.

The defeat left Santa Ana's shooting with an even 500 per cent, having won and lost 26 games. Last night's scores:

Polson Oaks 1st 2nd 3rd Tot.
Treosti 187 142 177 486
McGuire 167 142 177 486
Brand 178 183 195 556
Vulich 214 188 137 539
DeLoux 169 166 232 567
Totals 928 856 887 2671

Bowles Motor Co. 1st 2nd 3rd Tot.
Ames 202 199 179 571
Larrison 151 229 165 545
Jones 165 157 159 481
Martin 158 192 191 541
Gordon 192 183 139 514
Totals 868 942 833 2645

ANAHEIM QUINTETTE WINS
FROM TORRANCE FIVE

Catching the American Torrance team badly off form, the Anaheim bowling team captured a 4-to-0 decision in a Southern California league match at Anaheim last night. The Torrance team totaled only 2594 pins. Anaheim hit the timber for 2851. Jimmy Heffron's series of 616 was high. Al McGaugh had high game at 234.

SAN DIEGO 'B'
FIVE TO MEET
LOCALS HERE

Rival Teams to Contest at
'Y' Tomorrow; College
Team Calls Off Game

Ray Adkinson's Santa Ana high school Class B (130-pound) basketball team will collide with the San Diego high school aggregation of the same division at the Y. M. C. A. gymnasium here tomorrow afternoon at 3 o'clock. It will be a regular game in the Coast Preparatory league's Class B.

The Santa Ana five has lost both its first league matches, having lost to Long Beach by a margin of two points and to Whittier by about 15 points. San Diego also has found the road to victory a rough one and has yet to chalk up a digit in the "W" column.

The Poly lineup will be selected from such players as Smith, Nelson, Ryle, Riley, Hurd, Harter, Vickers, Fritts, Casey, Adams and Kimberland.

Final examinations, those three and four-hour nightmares, that keep the college boys burning the midnight oil, dropped in on the Santa Ana junior college this week as "Boss" Warren's basket tossers will remain idle.

The locals had a game scheduled with San Diego but forfeited it after losing to Riverside, 39 to 14, a team that lost to San Diego by almost as large a score.

Because San Diego wanted to meet Santa Ana's varsity court devotees tomorrow instead of today, the locals got to use Chester Siegel, basketball ace who was declared ineligible on the eve of the first league contest with Long Beach. Siegel completed his second semester at Poly at 3 o'clock this afternoon, making him o. k. for the San Diego trip.

Two of the biggest disappointments of the recent basketball season were Uble of Cleveland and Luque of Cincinnati. Right up with the leading hurlers in 1923, the Indian and the Red enjoyed anything but successful campaigns last year. Critics expect them to get back into their real form again this season, however.

SPORTLAFFS

Owner of Browns Admits Club Is Sick, But Doesn't Need An Undertaker

BY BILLY EVANS

R. JAMES JOY has a weak heart. If you ever hit him with that right of yours you will kill him." James Joy knew Willard was still worrying about the man he had killed on the coast and he knew, too, Jess didn't want another tragedy on his hands.

The fight got under way. The Boer was confident enough, thinking it was "fixed" for him to win, and he sailed after Willard like a champion, pasting him plenty with rights and lefts. Willard's ace was his right.

But every time he would draw back to hit Boer with it James Joy would shout, "Be careful there, Jess. Remember he's got a weak heart." The fight went the limit and the Boer won the popular decision.

This represents one of the ring's finest examples of the double-cross.

POLY VARSITY
OFF FOR S. D.
GO TOMORROW

Chet Siegel, Star Center,
Declared Eligible; Squad
of Ten Men Taken South

Coast League Standing

	W.	L.	Pct.
Long Beach	2	0	100%
Pasadena	2	0	100%
Whittier	1	1	.500
San Diego	1	1	.500
Santa Ana	0	2	.000
Fullerton	0	2	.000

Third round games in the Coast Preparatory league's basketball season send Coach Lyman Kidman's Santa Ana quintette to San Diego tomorrow for their first official match away from home.

The other two matches in the league were to be played this afternoon. Long Beach travels to Whittier and Pasadena goes to Fullerton.

Santa Ana's squad, ten strong, will not leave the city until tomorrow morning. The game will be played on the San Diego Y. M. C. A. gymnasium floor at 3 o'clock.

Coach Kidman announced today he would take the following men to the border city: Captain Arnold Norton, Blanchard Beatty, Chester Siegel, Floyd Reister, Herbert Melsinger, Russell Manderscheid, Oscar Spencer, Dalbert Smith, Bert Zaiser and Stierle.

For the first time during the league season Kidman will have his strongest lineup on the floor. Siegel, star center, became eligible today with the passing of the first semester of school and he will start at the jumping post against the Southerners, Kidman said. "Snowy" Beatty was reported ill yesterday but he was sufficiently improved from a bad cold today to make it certain he will be on the job when the teams get under way.

WEST WINDS
BY EDDIE WEST
Here and There In Local SportsHANDBALL IS IMPORTATION
FROM FRANCE, CLAIM

Handball, one of the most popular indoor sports in America, is an importation from the south part of France, according to R. R. Russick, physical director of the Santa Ana Y.M.C.A. It is an ancient game of the Basque race, and Y. M. C. A. secretaries working in Europe report that it is ardently played by nearly all the men and boys in southern France, Russick says.

Handball is especially popular at a Y.M.C.A. game, and many Santa Ana persons are anxiously looking forward to the time when the promised handball courts can be completed in connection with the new "Y" building here. Russick states that two fine courts are to be erected at the rear of the building, just as soon as funds are available. This item was covered in the original building fund, but it is being held up at present on account of slow collections.

The plan provides for two four-wall courts, enclosed and lighted for play at night as well as day, and when these are completed, they will undoubtedly become a center of attraction for men who like the most vigorous exercises.

DUCK SEASON JUST CLOSED
WORST IN HISTORY

The duck-hunting season just closed probably was the worst yet experienced in Orange county. While no records were kept by the Fish and Game commission or any other organization it is certain that the number of birds bagged was far below the average.

The poor hunting condition probably resulted from lack of food caused by the drought last summer and in the fall. The ducks were reported thick in some sections outside sun club preserves but the birds never would fly low enough for good shooting and soon

Sunday's Games.

Garden Grove at Irvine.

Van Dien-Young Co. at Tustin.

Huntington Beach at Laguna Beach.

Garden Grove and Irvine, the "class" pair and the current leader and runner-up clubs, respectively, in the Orange County Harbor league will clash at Irvine park Sunday afternoon.

Final arrangements were made today after the undefeated Beanpickers, having drawn a "bye" in the regular schedule, cancelled a previously arranged exhibition match with a strong Los Angeles semi-professional club.

Garden Grove was slated to meet San Juan Capistrano but the Mission City crew disbanded and withdrew from the league race yesterday leaving the Chillepps also with an open date.

A little work by Victor Walker, lord of the loop, and -Presto, the big game was on!

Will Be Third Clash.
Garden Grove and Irvine already have tested each other's mettle twice this winter. The Beanpickers won the first affair, 2 to 1. The second game went to a tie, 9 to 9, when Irvine came up from behind in the last of the ninth and scored six runs.

The Chillepps never will get over the second game. They were the victims of several tough breaks that day and some of their misplays counted heavily against them. Sunday's match is a play-off of that draw struggle and Ed Quick and Henry Jessup, the cross-road managers, expect the largest

CHAMP AND MANAGER IN SPLIT IS STORY

LOS ANGELES, Jan. 30.—Jack Dempsey and Jack Kearns, the former world's heavyweight champion pugilist and the latter his manager, have come to a parting of the ways, according to a story

printed in a newspaper here today. It was reliably reported that a statement on the matter would be given out by Dempsey later in the day. This morning neither he nor Kearns could be reached. The newspaper said it was informed that the dissolution of the famous partnership which has stood for eight years and made for the "two Jacks" thousands of dollars, would end May 20 and on that day Dempsey would marry Estelle Taylor, movie actress—changing one partnership to another.

SOFT FOR PITCHERS. Stanley Coveleskie proved anything but tough picking for the ope games Covey whiffed the ozone posing hurlers last season. In 37 games Covey whiffed the ozone on 32 occasions.

STARTERS LOOM STRONG. Ohio State basketball quintet is being picked by critics as one of the most dangerous contenders in the Big Ten this season. The Buckeyes have a veterans aggregation with Miner and Cunningham as the outstanding stars.

BEANPICKERS, GARDEN GROVE CLASH SUNDAY

(Continued from Page 17)

mass of fans of the Harbor league season. It is doubtful yet just who will get the pitching assignments. "Dutch" Hinrichs worked the first two engagements for Irvine. He was in wonderful form the first one and took a lot of punishment the second time out. Arch Hawkins failed with such success against the Van Dien-Young company last Sunday that it is entirely possible he will get the nod.

Blaschke or Lempe. Either Charlie Blaschke or Lempe will go the heavy work for the Chippewas. Both are fine rugged men and both had considerable success against the Beanpickers in the first two skirmishes. "Tuffy" Tyrrell, the Tulsa, Western league catcher, will do the umpiring.

Harbor league games also will be played between the Van Dien-Young company of Santa Ana and Tustin at Tustin and Huntington Beach and Laguna Beach. H. B. Wentz has been assigned to officiate at Tustin. Al Sanford will call 'em at Laguna Beach.

Fred Fulton and Fuentes In Court for 'Frame' Case

LOS ANGELES, Jan. 30.—Trial of Fred Fulton, Tony Fuentes and the managers of the two heavyweights, was on the superior court calendar today. The case, growing out of the alleged fake fight in which the boxers engaged in Culver City last November, has been frequently postponed. All are charged with conspiracy to violate the state boxing law.

No indication has been given as to whether the men will plead guilty or not guilty.

Fred Winsor, as Fuentes's manager, says they will fight the charges. Jack Reddy, who handles Fulton's canvas shows, declares the "big bum quit cold," and places all the blame on the fighters.

HERE AND THERE IN LOCAL SPORT WORLD

(Continued from Page 17)

left when they were unable to find enough grain. Fish and game experts claim that the duck influx was far below normal this winter and that most of the birds chose to travel over the Middle West states in their flight south.

FIRST BIG TIJUANA TURF CLASSIC FEB. 15

Turf enthusiasts of which there are many here will be interested in learning that the Speed Handicap, the first stake race of the winter season at Tijuana track, will be decided Sunday, February 15. The stake books containing nominations have been circulated by the Jockey club and even the race track "dub" knows by a casual glance that the horses entered are high class.

The books also contain nominations for the rich Cotforth Handicap, to be run March 29. Among the fine thoroughbreds entered in this classic are Chilhowee, Donaghee, Lucky Play, Cherry Pie, Nassau, Cherry Tree, Osprey, Sunperso, General Thatcher, Nancy Langhorne, Swingalong, Dominique, Senator Norris, Little Chief and Phulsa.

FRANCES E. WILLARD JUNIORS LOSE, 13-2

The Frances E. Willard Juniors lost at Fullerton yesterday by a 13-to-2 score. The local quintette couldn't penetrate the brilliant defense of Fullerton.

The line-up:
Willard (9) Pos. (13) Fullerton
Jacques (2) F. Chapman
Goetting (4) F. Dixon
Yonel (2) G. (6) Carpenter
Hamilton (2) G. G. Maxwell
Pinnex (2) G. Williams
Substitutes: Willard—Watkins for Pinnex; Vegely for Jacques; Jacques for Vegely.

Semi-Finals In 'Y' Volleyball To Begin Feb. 6

Dates for semi-final games in the Southern California Volleyball league, in which Santa Ana's Y. M. C. A. sextette gained the privilege of entering because of its fine showing in its divisional circuit, were announced today by R. R. Rusick, physical director here. Santa Ana meets Long Beach here Friday, February 6 and will meet San Diego at San Diego probably February 13. A final series of games with San Bernardino will be played the following week.

The local squad includes Captain Warren Fletcher, Dr. Harvey A. Stryker, Homer Anderson, Bill Taylor, Harold Smith, Ray Miles and Ray Canterbury.

JIM O'CONNELL IS REFUSED IMMUNITY

SAN FRANCISCO, Jan. 30.—Denied immunity by the district attorney of New York should he voluntarily go east to testify in the investigation of the "bribery scandal," Jimmy O'Connell, former Giant, has changed his mind about telling his story.

Joseph McInerney, whom O'Connell has retained as counsel, said today that O'Connell is preparing to go into business here and intends to forget about New York and the investigation for the time being. "If O'Connell is indicted, which he don't expect, for violation of the Walker law, we will fight extradition to the last ditch," McInerney said.

WILLARD 'MEDIUMS' RALLY FOR VICTORY

By WYLIE CARLYLE

The two intermediate basketball teams of Frances E. Willard Junior high school and Fullerton played a fast game on the Fullerton court yesterday, the locals winning 9 to 6. Fullerton ran the score up to 6 to 0 all through the first half and third quarter. In the last period, Willard, encouraged by a point by Vegely, broke through and scored three more baskets and with two minutes to go, scored by shooting another field goal.

The line-up:
Willard (9) Pos. (6) Fullerton
Jacques (2) F. Chapman
Goetting (4) F. Dixon
Yonel (2) G. (6) Carpenter
Hamilton (2) G. G. Maxwell
Pinnex (2) G. Williams
Substitutes: Willard—Watkins for Pinnex; Vegely for Jacques; Jacques for Vegely.

SHORT SPORTS

NEW HAVEN Conn.—Yale football in 1924 resulted in a net profit of \$214,946 but the Athletic Association finished the year with a deficit of \$20,425. Football was the only sport that paid for itself.

NEW YORK—Willie Hoppe, world's balkline champion and Bob Cannefax, three cushion champion, will meet here in a series of three cushion matches February 14, 15, 17, 18 and 19. The first player to score 600 points will win the match.

NEW YORK—Paul Berlenbach, light-heavyweight, is the favorite in the betting to win from Young Marullo, New Orleans, when they meet in a 12 round bout tonight in Madison Square Garden. The winner has been promised a match with Tiger Flowers, Atlanta midweight.

COLORED SINGERS TO APPEAR HERE

The Cotton Blossom Singers from the Piney Woods school at Braxton, Miss., are going to entertain Santa Ana folks at the First Congregational church on Tuesday evening, February 3.

The Cotton Blossoms are negroes and they sing their old plantation melodies and spirituals. They are out to let people know about their school, so no admission is charged for the concert, but an offering will be taken for the building up of the school.

The Cotton Blossoms will sing before the Rotary club next Tuesday noon.

THEY CAN'T DRIVE
HARRISBURG, Pa., Jan. 27.—Fifteen hundred Pennsylvania automobile owners will be unable to operate their cars this year, or at least during the first part of the year, because they were found guilty of driving while intoxicated during 1924. The state law provides that revocation of the driver's license shall be part of the penalty.

Our "Moco" Platinum finish, a favorite everlasting. Kerfoot's Gene Morris One-day Auto Painting, 410 W. 5th.

Dr. C. A. Custer, dentist, now located Walker's theater building.

L-A BUTTER
is your
"Home Town"
Butter

L - A BUTTER,
known at the time
as "Santa Ana"
Butter, originated
in Santa Ana over
40 years ago.

With such a
good start, and
continued uniform
quality, the sale
of L-A BUTTER
has spread all
over Southern
California.

The Los Ange-
les Creamery Co.,
has always been
identified with
Orange County.

During 1924
this Company
spent over \$400,-
000 in Orange
County for Butter-
fat, Beet Pulp and
Sugar.

Santa Ana Kiddies Thrive on L-A Butter

It has that rich butterfat content that means so much to grow-
ing children.

The wholesome quality of L-A BUTTER never varies. Each
pound is like the next.

If you are an old resident of Santa Ana, you no doubt ate plenty
of L-A BUTTER in your own childhood days. It was known as
"Santa Ana" Butter then.

GRANT REVIEW WRIT IN S. A. LAND DISPUTE

Word was received by the coun-
ty clerk today that the district
court of appeals has granted a
writ of review in the case of E. L.
Prothero against J. F. Boose, which
involves a long-drawn litigation
over a strip of driveway adjacent
to the Prothero and Boose ranches
at Washington street and Grand
avenue in this city.

Boose's property, at the rear of
the Prothero ranch, is connected
with the street by the disputed
strip, which borders Prothero's
property. Under a deed executed
42 years ago when the original
owner of both properties divided
them, the strip passed into the
possession of Boose's predecessors,
and from them to him. Prothero
recently raised the issue of owner-
ship, his claim being based on in-
terpretation of the old deed, which
he contends merely granted an
easement over the strip to Boose,
and reserves title to Prothero,
from whose land it was originally
taken.

Superior Judge Z. B. West heard
the case some time ago and de-
cided in favor of Prothero. At-
torney A. E. Koepsel, of Orange, later
argued for a new trial on behalf
of Boose and this was granted. At-
torney Otto Sankner of this city,
who represents Prothero, then ap-
plied to the appellate court for a
writ of review. Word received
here today is that the writ of re-
view has been granted, together
with a writ of mandate, to stay ac-
tion by the superior court in the
matter of proceeding with a new
trial until the appellate court has
reviewed the case.

\$30,000 Suit for Breach of Promise Filed In Chicago

KANSAS CITY, Mo., Jan.
30.—Suit for \$30,000 breach of
promise was filed in circuit
court today by Miss Lucille
Fortnier, Chicago, against J.
North Mehornay, former head
of a large furniture company
here.

Miss Fortnier alleges in her
petition that Mehornay pro-
posed marriage to her last De-
cember 1 and that she accept-
ed, believing him single. Later
she learned he was married
and unable to fulfill his prom-
ise of matrimony, the petition
charges.

As a result Miss Fortnier's
health has been impaired and,
according to her petition, she
has "suffered greatly from em-
barrassment and shame."

Mehornay, who is socially
prominent, is married and has
one child. He said today he
had "never heard of Miss For-
nier."

Restore Sand Bar As Town Site

WASHINGTON, Jan. 30.—Presi-
dent Coolidge today signed an
executive order reserving a 24-acre
sand bar near Santa Barbara, Calif.,
as a town site to be sold at auc-
tion after government engineers
have divided it into lots, blocks and
streets.

The new "town" is to be known
as Goleta Beach and is now used
to some extent as a resort.

It is designed to be used for this
same purpose on a larger scale af-
ter the government disposes of it.
City water to be piped from the
mainland by the government is ex-
pected to increase the value of the
land considerably. The land is now
owned by the government.

A workman's clubhouse will
be built near Yokohama with a
fund of \$50,000 yen contributed by
citizens of the city at the time of
the earthquake. The building will
be "earthquake proof."

FROM GIRLHOOD TO MOTHERHOOD

Through all these periods of their
existence thousands of women toll
on, often suffering with backache,
pains in side, headaches and nerv-
ousness, all telltale symptoms of
some local derangement. Lydia E.
Pinkham's Vegetable Compound is
the one great remedy that will
overcome such ailments. All over
America women are telling other
women how this wonderful medi-
cine has restored them to health
and the joy of living. This ac-
counts for the tremendous demand
for this popular medicine for
women.—adv.

MANY STARVING AS SPUD CROP IN ERIN FAILS

DUBLIN, Jan. 30.—On the west coast of Ireland, a few hundred miles from London and Paris and the center of European civilization, thousands of men, women and children are slowly starving to death. The potato crop has failed.

In counties where potatoes furnish the principal food and often the only food for desperately impoverished families, incessant rains have brought on the worst famine since the black year of 1847.

Many already have died of hunger and a fuel shortage has brought death and distress second only to that caused by lack of food. Turf furnishes people of the west with their only fuel. It is the custom of Irish peasants to bank their fires over night and with the rains of Connemara and Donegal rain sodden for weeks, fires in many cottages have gone out for the first time in a century.

When the peasants can obtain a scanty store of potatoes they try desperately to cook them over smoldering wet bracken. Conditions are particularly bad in Connemara, where whole families huddle together for warmth, starving in their tumbled cottages, with no bed clothes save sodden hay. Many thousands are affected here with cold and disease and some districts go days without food or fuel.

Distress is acute in county Kerry, where lie the famed lakes of Killarney, while in the north the sufferers are surviving on corn meal mush.

The Free State government is doing what it can with inadequate funds. The Bank of Ireland has subscribed \$10,000 for relief while several thousand dollars have been received from the United States.

Here Is Comedy On
'The Stilly Night'

CHICAGO, Jan. 27.—Scene: Home of Rufus Abbott, president of the Illinois Bell Telephone company.
Time: 2 a. m.
Cast of characters: Rufus Abbott, dignified, affluent business man; A Voice.
Telephone rings on stage. Enter Mr. Abbott in night attire.
Mr. Abbott: (Sleepily into telephone): Hello!
Voice: Is this Mr. Rufus Abbott?
Mr. Abbott: It is.
Voice: Well, Mr. Abbott, fifteen minutes ago one of your telephone operators called me on the phone and said she had a long distance call. I waited ten minutes, jiggled the hook, and then she said: "Oh, I beg your pardon, wrong number."
Mr. Abbott: Well, really, I'm awfully sorry, but what do you expect me to do about it?
Voice: You can go to bed and cuss for fifteen minutes, as I'm going to.
Curtain.

OBITUARY

The funeral of Lorenzo B. Kiser was held at the funeral parlors of Smith and Tutill last Wednesday afternoon, the Rev. W. S. McDougall officiating. "Lead, Kindly Light" and "Jesus, Saviour, Pilot Me" were sung by Miss Ola Blair. There were many beautiful tributes.

Lorenzo B. Kiser was born on April 15, 1847, in Somerset Co., Penn., and died Jan. 25, 1925, at Tustin. On Feb. 16, 1864, he enlisted in Co. B, 17th U. S. Infantry, and he was discharged from service on Feb. 16, 1867. On March 7, 1875, he was united in marriage to Kate Berkey at Dixon, Ill. In August, last year, she preceded him to the "great beyond." In 1878 they moved to Nebraska where they lived until 1908 when they moved to Tustin, Calif. To this union six children were born, all of whom remain to mourn his death, Lucy B. Pilgrim of San Onofre, Olive M. Rose of Santa Ana, Edwin L. Harry T. Dudley C. and John R., live in Tustin.

CHATTY GOSSIP OF NEW YORK

NEW YORK, Jan. 30.—Most of those who saw the new George Arliss play, "Old English," thought that the settings and furnishings were perfect. Yet two Englishmen saw a glaring fault and set out to remedy it.

Old English drinks quite a bit of brandy during the course of the story. When Winthrop Ames produced the show he hunted high and low, far and wide for brandy goblets and couldn't find any in all New York. So champagne goblets were used.

Eustace Wyatt, who has a role in the play, saw some brandy goblets in a Madison Avenue antique shop. He immediately purchased several goblets and ordered them sent to the theater. "Are they for the play?" the clerk asked. "Well that's funny," Frank Galsworthy was here not more than an hour ago and ordered goblets for the play."

Frank is a cousin of John Galsworthy, author of the play. He saw it on opening night and noted the use of champagne goblets for the use of brandy and had sought every day brandy that until he found the perfect and glass. His English training just couldn't stand for the anachronism in drinking utensils.

Reading what I have just written above, it sounds like one of the million press agent stories I receive every day and throw away. But it isn't. The Arliss publicity man wouldn't send out a story like that for fear that stage editors would think it bunk.

Most moving van and storage men have the reputation of breaking anything from china closets to pressing irons, but in the West Fifties there is a warehouse that guarantees that nothing it packs can be broken. They specialize in preparing fine art objects for shipment. The strangest job ever given to them was the packing of a nest of humming bird eggs.

Twenty years ago a group of 40 Germans organized the North River Social club. They each put \$100 in the treasury and then closed membership. When all but one has died, the sole survivor is to receive all the money to do with as he pleases. It was agreed when the club was formed that the sole survivor would drink a stein of beer in memory of each of the dead members. If he drinks 39 steins of the etherized beer now sold in New York he will not live to spend the money.

College girls here are divided into two classes by their sheik friends. Those who go out for skating, hiking and other outdoor sports are called "airdales." The stay-at-homes are "setters." In turn girls call one group of finale hoppers "Dearhounds" and the other group "Scotch terriers," depending on their respective predilections in amusement.

Inconsequential statistics: Most of the ice men in Brooklyn are Italian, most of them in Manhattan are Irish, most of them in the Bronx are Polish. The largest chop suey palace in New York is on Fulton street in Brooklyn. It seats 1100 and very often is filled. A tie-up of five minutes in the subway during rush hours will stall 14 trains and make 17,500 people late at office or home. There are 17,500 taxicabs in New York City. There are four meter rates, indicated by red, white, blue and green flags. The green flag is the cheapest rate, the red the highest. Always take a green-meter taxi when in New York.

One of the biggest Broadway chop suey and chow mein dance halls is patronized almost entirely by white men and white women until the early morning hours. Then it apparently closes, but later reopens and from 2 to 3 a. m. is patronized entirely by yellow men and white women, the men outnumbering the women about two to one.

Headlining the list of entertainers at a midnight supper club is a woman who once involved a young millionaire in court proceedings. It was generally thought that the court action would be good publicity for her. The reverse is true. Whereas men formerly sought her favor she is now almost entirely shunned by them. They are afraid that they might become involved in legal tangles.

—JAMES W. DEAN.

Washes - rinses - blues - dries - all in the same tub

EVERY step of the washing done in one tank! Washing, rinsing, bluing—even drying—without once being bothered with a wringer.

The Savage Washer and Dryer is as practical as if you had planned it yourself. It's so easy to use.

Put your clothes into the spinner and push the button. They're carried through the soapy water again and again, with a perfect cleansing action.

Then a slight shift, and the spinner is up above the water line where it spins the clothes dry.

There's nothing to get out of order. Nothing to puzzle or confuse you.

When you're down town just come in and see how easily and quickly the Savage Washer and Dryer does all the hardest work of washday.

We Prove All Claims in your own home

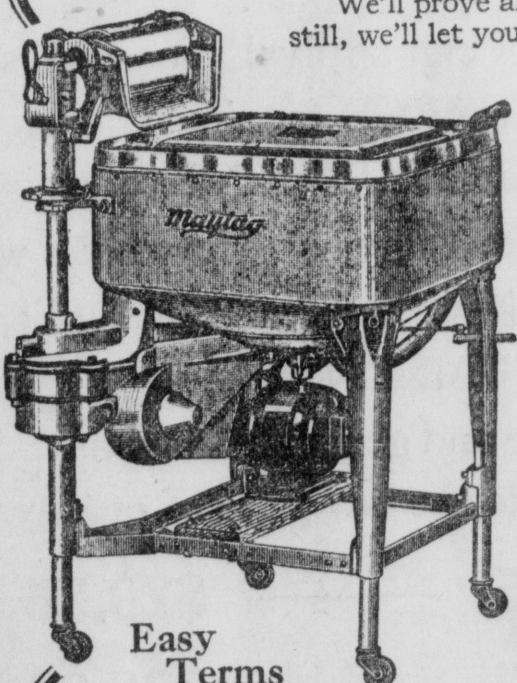

And here they are:

Washes faster—a tubful of linens, silks or woollens in 3 to 7 minutes; 50 lbs. of dry clothes an hour—actually twice the capacity of other washers.

Washes more thoroughly—no handrubbing necessary even on wristbands, neckbands or collars.

Washes with greater care—no pounding, dragging or pulling. Cleansentirely by super-energized water action.

We'll prove all this and much more—or better still, we'll let you prove it yourself right in your own home by lending you a Maytag. Wash with it—next washday, or sooner. No obligation at all. Don't delay phoning us.

Easy Terms

9 Outstanding Maytag Features

- 1—Washes faster.
- 2—Washes cleaner.
- 3—Largest hourly capacity in the world.
- 4—Most compact washer made—takes floor space only 25 inches square.
- 5—Cast aluminum tub—can't warp, rot, swell, split or corrode.
- 6—Easily adjusted to your height.
- 7—Clothes can be put in or taken out with the washer running.
- 8—Tub cleans itself.
- 9—Automatic drainboard. Instant tension release. All parts enclosed.

Torosa Rebekah

With District Deputy President Lulu D. Nankervis of Westminster and her staff officiating, the officers of Torosa Rebekah lodge, No. 247, were installed in office in the I. O. O. F. building Wednesday night.

The outgoing noble grand, Allie Cain, was presented with a beautiful past noble grand's pin. Ruel Loucks, degree captain, received an oil painting. The district president and her staff received flowers and gifts.

The meeting began with a 6:30 o'clock dinner for members and was followed by a closed lodge session. Following this session, the doors were opened and the friends and families of members were admitted to witness the installation.

The following were inducted into office: Noble grand, Laura Kesemann; vice grand, Blanch Chandler; recording secretary, Ida Perkins; financial secretary, Maud Swarthout; treasurer, Pearl Loucks; noble grand's supporters, Alice Gould and Frankie Johnson; vice grand's supporters, Irene Mitchell and Mary Cooper; conductor, Emma Cochems; warden, Norma Wingood; chaplain, Fanny M. Lacy; inside guardian, Viola Fippis; outside guardian, Maud Leutz, musician, Name Havens.

The noble grand appointed the balance of her staff as follows: Right altar supporter, Ida Dumpley; left altar supporter, Leona Talbot; banner bearers, Leola Smith, Mina Hartin, Minnie Stora and Hannah Marston; queen, Nona Lacy; king, A. B. Chandler; Abraham, M. C. Cooper; Elzezer, Oscar E. Perkins; Isaac, William Kise-mann; Rebekah, Hannah Marston; Ruth, Irene Mitchell; Naomi, Leona Talbot; degree captain, Ruel Loucks.

The finance committee of Torosa lodge of Rebekah is composed of Helen Plank, Oscar Perkins and Mary Cooper; flower committee, Blanch Chandler; resolutions, Alice Gould, Carrie Tope and Helen Plank; visitation, Blanch Chandler, Irene Mitchell, Mary Cooper, Alice Gould and Frankie Johnson; new members, Leola Allen, Maud Swarthout and Nellie Young; examination, Allie Cain, Mary Cooper and Susan Mullinix.

S. A. Pyramid of Sciots

Three hundred members of the Masonic order and their ladies, were guests of Santa Ana pyramid, No. 14, Ancient, Egyptian Order of Sciots, at a dance in El Camino hall Wednesday night. Visitors were present from Fullerton, Los Angeles, Glendale, Long Beach and Los Angeles.

A dinner for Sciots and their ladies preceded the dancing. Talks were made by the toparchs of the various pyramids represented. Music for the dancing was furnished by the Phil Jennings orchestra.

The following committee was in charge of arrangements: Dr. E. D. Motley, Charles Russell, William Le Bard, N. E. Mayhill, H. C. Collins, Ed Wyckoff and W. B. Ashford.

Santa Ana pyramid will hold a business meeting in El Camino hall February 14, at which time plans will be made for another social gathering for Masons and their ladies. It is planned to have an entertainment every month.

Damascus Shrine

Susan Hall West, Dayton, Ohio, supplied a worthy high priestess of the White Shrine of Jerusalem, accompanied by a suite of officers, will pay an official visit to Damascus shrine No. 13, Santa Ana, February 7, it was announced today by Mrs. Helen Kellogg, worthy high priestess.

The meeting will begin with a dinner at 6 o'clock in the Masonic temple. All members of the White Shrine of Jerusalem are invited to be present.

Mrs. Wooster and her staff will arrive in California from Ohio February 31, going to San Diego for a meeting on that date. On February 4, the officers will institute a new shrine at Huntington Park to be known as Emmanuel Shrine No. 14. Damascus Shrine will thus cease to be the "baby" shrine of the Southland.

Twenty-eight slides, dealing with the work of the order, were shown at the last meeting of the shrine in the Masonic temple. This was the first time that the slides had been shown in California. The lectures accompany each picture were given by Mrs. Kellogg.

Eight petitions for membership were received at the meeting. Among those who spoke were Deputy Supreme Worthy High Priestess Edna Marguerite Orm, of Artiban shrine, Pasadena; Sidney Orme, watchman of shepherds; Florence Higgins, worthy high priestess; W. L. Wilson, Frida B. Wilson, Christine Stooksbury, Erma Maynard, Eldora C. Keys, Margaret Jenkins, Willoughby Armstrong, Viola Armstrong, all of Artiban shrine, Pasadena; Mabel R. Pearl, Oregon shrine No. 1, Oregon; Miss Beatrice Olson, Palestine shrine, Sacramento; Rose Metcalf, Bethel shrine, Washington; Kitty Kelly Smith, George T. Kellogg, Blanche Daniels and Emanuel Smith, Fullerton shrine, No. 6, Fullerton.

Guillotine Idle 22 Years Beheads Swiss Murderer

BERNE, Switzerland, Jan. 30.—The death penalty was inflicted in Switzerland recently for the first time in twenty-two years, at Alt-dorf, Canton of Ur. Clement Bernet was guillotined for the murder of a young girl who surprised him while in the act of burglary.

There is no official executioner in Uri and the authorities had considerable difficulty in finding anyone to carry out the sentence. A train hand who offered to do the job for 500 francs was forbidden by the federal railroad management when other employees threatened to strike if he were allowed to "cast discredit" upon them.

At the last moment a mechanic

was induced to pull the trigger releasing the knife.

Bernet was the least concerned at the execution. Becoming conversed while in prison, he refused an appeal for commutation and, as he approached the scaffold, he tore the black hood from his head, exclaiming: "My victim started death in the face; it is but just that I do likewise."

PLAYFUL PACHYDE
BOMBAY, India, Jan. 30.—Bombay claims the world's most playful elephants. "Rollo" and "Abjur," two elephants in the zoo here, spend most of their days at the childhood games of hide-and-seek and tag. They utilize the trees in the zoo for their games.

BUENOS AIRES GROWS
BUENOS AIRES, Jan. 30.—The estimated population of Buenos Aires is now 1,817,000. It is the largest city in South America, its growth during the last ten years being in excess of 300,000.

News From Orange County

PLAN FOR PIER AT H. B. BEGINS TO TAKE SHAPE

HUNTINGTON BEACH, Jan. 30.—With the declaration that the county board of supervisors is behind a plan to erect a horseshoe pleasure pier here, and would do everything possible to assist the project, and with favorable attitude of the chamber of commerce and the city trustees, Allen C. Rush, engineer in charge of plans for the new pier, today was endeavoring to secure a site which would be agreeable to the people of Huntington Beach.

A special meeting of committee of the chamber of commerce in charge of the pier proposition was held yesterday noon, at which time the decision was reached to place the chamber of commerce unambiguously in favor of immediate construction of the wharf.

Beach Company Co-operates.
According to a report read at the meeting, the Huntington Beach company, owners of the land along the ocean front here, is prepared to co-operate with the financiers who are backing Rush in his plans, and will sell land for approaches at any location designated.

A special committee was appointed to investigate the best site for the pier by S. R. Bowen, president of the chamber of commerce, who also gave the committee instructions to secure information relative to reopening of the question of purchasing ocean frontage by the city. T. B. Talbert, chairman of the board of county supervisors, pledged the support of the supervisors to the pier plan, and advocated the purchase of the beach by the city.

Additional information as to the character of the pier was given at the meeting. It was disclosed that the pier will be built of rubble stone through a patent process. The base of the pier will be solid and will form a protecting sea-wall, so that no breakers will find their way to the inner harbor, formed by the horseshoe. According to Rush's plans, a commercial harbor will be made by the breakwater thus formed and the interior section will be dredged to a depth of 20 feet.

Ship Line to Catalina.
Possibility of a passenger line being established from this city to Catalina island and also to San Pedro was also brought out at the meeting. The pier will be 1000 feet between approaches, and will extend 1600 feet into the ocean. The pier will be more than 300 feet longer than the present pier.

Included among those present at the meeting yesterday were S. R. Bowen, president of the chamber of commerce; T. B. Talbert, chairman of the board of county supervisors; J. I. Hinkle, W. R. Wharton, L. R. Ridenour, E. A. Sater, G. S. Bergey, L. W. Blodgett, J. H. Cacklin, Joseph Vavra, R. L. Obar, E. H. Cockingham, William C. Cameron, William Applefield and C. F. Crawford.

W. C. T. U. Holds Executive Meet

GARDEN GROVE, Jan. 30.—Plans for the coming year and reports of last year were given at an executive convention of the W. C. T. U. of Orange county, held today in the Methodist church here. The session convened at 10 o'clock this morning. Mrs. Estelle Harper, president of the W. C. T. U. for the county, was in charge of the meeting.

Bolsa

BOLSA, Jan. 30.—Miss Metta Rossman was hostess at a social affair given Saturday evening at the Rossman home in honor of her sister, Miss Norma Rossman, who teaches at Costa Mesa. The party proved a complete surprise to the honoree, who was showered with gifts by her girl friends. Games were played. White carnations and pink sweet peas centered the table on which were served a birthday cake and other refreshments. Twelve young ladies were present to enjoy the event and in addition the honoree and hostess, Misses Edna and Metta Rossman, Misses Edna and Marion Magnusson, Gladys Barnes, Adeline Simpson, Olive Simpson, Lova Holt, Vesta Newson, Florence Pierson and Clara Erickson.

Mr. and Mrs. George Harding and family, Mr. and Mrs. Sterling Price and family and Mr. and Mrs. John Willingham of Bolsa were guests Sunday at a reunion of the Heil family, at the home of the mother, Mrs. E. S. Heil, in Santa Ana. The family party was planned while one of the brothers, A. L. Heil and family, of Saugus, were house guests in the home and he, for Mrs. Heil left for Saugus to visit in her son's home.

Earl Gardner is repairing pumps getting ready for irrigating. Louie Bauers has his sedan home from the garage where it was overhauled, following a wreck which occurred at the Bolsa corner two weeks ago when another car ran into it.

Mr. and Mrs. Louis Bauer entertained Mr. and Mrs. Sterling Price and family and Mr. and Mrs. Eddie Taggart and Mrs. Grace McEwen of Long Beach.

Eulla Head, daughter of Mr. and Mrs. Roy Head, has scarlet fever. Mrs. Earl Gardner and daughter, Dorothy, visited the local school Tuesday.

Mrs. C. H. Rossman and daughter, Miss Metta, were Tuesday callers at the home of Mrs. John Shutt.

Mrs. John Willingham spent Monday with her parents, Mr. and Mrs. Sterling Price.

Mr. and Mrs. Earl Gardner and daughters, Bessie, Myrtle, Margaret and Dorothy, in company with Mr. and Mrs. John Shutt, Jr., of Talbert, motored to Ontario Sunday where they visited with an aunt.

**Boy, 14, Is Paid
Quarter to Aid
In Drug Selling**

NEW YORK, Jan. 30.—Twenty three cents isn't much for "dope" running. But this amount, alleged to have been given to Louis Banner, 14, not only caused the boy's arrest and that of a man but may result in questioning all the pupils of public school 62, which Louis attended.

Louis was arrested after an agent of Ralph Oyler, chief of the United States narcotic division, had bought an ounce of heroin from him and then followed the boy to a hallway, where Joseph Manfre also was arrested. Young Banner insists his fee in the transaction was 23 cents.

Narcotic officials planned to induce the principal of school 62 to aid in interviewing the boys of the school to find out how many other boys may have been used as pawns by the dope vendors.

Louis is held as a material witness. Bail for Manfre was fixed at \$5,000.

\$60,000 GARAGE WILL BE BUILT IN BEACH CITY

HUNTINGTON BEACH, Jan. 30.—Ground was broken here today for the erection of a \$60,000 garage, at the corner of Ocean avenue and Third street. J. H. Macklin is owner of the property.

Macklin declared that, although the contract had not been let, architects are working on plans for the building and he declared that work would start soon on the building.

The garage will be one of the best equipped and most modern structures of its kind in Southern California, he said. A basement for storage purposes will be a feature of the garage.

The building will be of brick and concrete and will occupy a space about 75 feet wide by 150 feet long.

I want the garage to be ready for the heavy traffic which will run through this city this summer on the new coast highway," Mecklin stated.

Building activities were started several days ago on the \$50,000 theater building to be erected here by J. C. Scott, Long Beach theater man. The building is to be situated on Fifth street.

A building permit was issued today to C. E. Westenhaver, merchant, for an office in the rear of his business establishment, at a cost of \$20. Building permits for the month total \$20,375.

Tustin Alumni Sponsor Movie

TUSTIN, Jan. 30.—Members of the alumni association of the Tustin high school were making preparations today for a large crowd at the high school auditorium tonight when the association will hold its first entertainment. It will be movie night at the school.

The alumni chose a moving picture attraction, in "The Navigator," with comedy, scenic and news reels also on the program. Proceeds of the show will be used for entertainment at the annual alumni-senior banquet to be given in June. The program will start at 7:45.

EX-KAISER CELEBRATES
DOORN, Jan. 30.—Surrounded by gifts, many of a modest nature, ex-Kaiser Wilhelm Hohenzollern celebrated his 66th birthday anniversary Tuesday.

Legion Council to Name Officers

FULLERTON, Jan. 30.—That L. W. Blodgett, former commander of the Huntington Beach American Legion post and chairman of the Armistice day parade last year, may possibly be selected to lead the Orange county council of the American Legion during the coming year was hinted here today.

Election and installation of new officers will take place at the regular meeting of the council here tonight.

Major H. G. Upham of Orange is commander of the county group and L. P. Chunning is adjutant. Commanders of the various posts are the vice commanders of the county council.

Dinner Party Is Given Newlyweds

HUNTINGTON BEACH, Jan. 30.—Mr. and Mrs. William Applefield, who were recently married, were honor guests at a dinner given at the home of Mr. and Mrs. Joseph Vavra, 419 Tenth street, Wednesday evening.

Gathered about the table, which was packed with dainties and decorated with pink and white sweet peas, were many friends of the couple. Tiny brides and grooms formed the placecards. Immediate family after the dinner, the new bride and groom were presented with remembrances which in several instances caused a great deal of merriment.

Miss Eleanor Miller and Miss Katherine Ann Vavra entertained with music and dancing. The bride couple was showered with rice as the party broke up.

Among those present were Mr. and Mrs. William Applefield, guests of honor; Mr. and Mrs. George Miller, Mr. and Mrs. Chris King, Mr. and Mrs. H. T. Dunning, Mrs. Grace Brose, Henry Worth, C. L. King and Mr. and Mrs. Joseph Vavra, host and hostess.

Nurse Addresses H. B. Lions Club

HUNTINGTON BEACH, Jan. 30.—Mrs. Eda Mae Pine, nurse at the grammar school here, was the principal speaker at the regular meeting of the Lions club Wednesday. She spoke on "The Health of Our Children."

She brought out the fact that only 10 per cent of the grammar school children finish high school and that only one per cent of those finishing grammar school complete their college education.

Miss Irene Loose led the group in community singing, and Miss Esther Soule played selections on the piano. Clark H. Reid, president of the club, was in charge of the meeting. Thirty-five were present.

Lawn seed, lawn fertilizer and garden seeds. Mitchell & Son, 316 E. 3rd.

PARSON CALLS TRIAL BY JURY MODERN FARCE

HUNTINGTON BEACH, Jan. 30.—"A Trial by Jury, or a Modern Farce," will be the subject on which the Rev. Luther A. Arthur, pastor of the First Baptist church, will preach Sunday evening, he has announced.

"Are we a nation of hypocrites?" will be one of the questions propounded and answered by the pastor in his sermon. It is expected that the pastor will base his sermon on verdicts returned by juries in several liquor cases tried here recently.

That the pastor may again criticize the Civic Progress league was suggested in his announcement that "some things will be said about tolerance, which we hear so much about these days. What is it and how far shall we go with it?"

In addition, the pastor will give a copy of his recent sermon entitled, "How the Baptist Preacher Got Kicked Out of the Lions' Club," to all who attend the services.

Sunday morning, the Rev. Mr. Arthur will talk on "The Days of Noah." Special music will be rendered at all services.

The Rev. Mr. Arthur will conduct services at Berase hall, corner of Fruit and Minter streets, Santa Ana, Sunday afternoon at 3 o'clock.

Costa Mesa News

COSTA MESA, Jan. 30.—Mr. and Mrs. Chas. Kesel of Eighteenth street are enjoying a visit from Dr. Spence and Miss Florence Saunders of Grand Island, Neb.

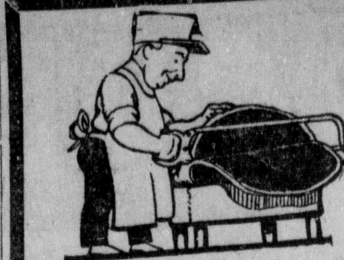

Mr. and Mrs. F. H. Bloom of Milo, Ia., were recent visitors of Mr. and Mrs. Harry Clark.

Friday afternoon club will have as a special speaker at the next meeting on February 6, Dr. Lela Beebe, lecturer for the bureau of child hygiene, state of California, under the Sheppard-Towner appropriation.

Next regular meeting of the P. T. A. will be held February 3. Mrs. Grow S. Brown will have charge of the program.

Harper-Fairview pupils are actively engaged in work of the new semester. A music department has been added, which is in charge of Miss Mary Hawkins, recently of New York City. Miss Hawkins will devote Fridays of each week to musical work in each room. The boys of the school are organizing basketball teams. The pupils are assisting in the membership drive of the P. T. A., which will be held in February and March. The winning room will have a treat.

Dance every Saturday night. Costa Mesa Clubhouse, Good floor. Good eats. Chapman's Orchestra.

"Pape's Cold Compound" Breaks a Cold Right Up

Take two tablets every three hours until three doses are taken. The first dose always gives relief. The second and third doses completely break up the cold. Pleasant and safe to take. Contains no quinine or opiates. Millions use "Pape's Cold Compound." Price, thirty-five cents. Druggists guarantee it.—Adv.

ORANGE MAN DIES

ORANGE, Jan. 30.—Ellsworth W. Davis, aged 59, died Wednesday night in his home, 240 South Grand, after an illness of six months. Mr. Davis came to Orange three years ago from South Sioux City, Neb. He leaves his widow, Hattie, one granddaughter, Earline Davis, who has resided with them for some years, his mother, Mrs. Maggie Davis and a sister, Mrs. Charles Nochoial, both of San Pedro.

LOCATE IN LONG BEACH

HUNTINGTON BEACH, Jan. 30.—Rosenberg brothers, tailors and cleaners, have removed to Long Beach, where they will establish their business at 31 Locust avenue. They have been in Huntington Beach for two years.

You'll Enjoy the Finer Flavor of

Cudahy's puritan Hams and Bacon

PURITAN Hams and Bacon have a finer flavor, a smoother texture, and greater tenderness. These superior Puritan qualities are due to the careful selection of meats and to the fact that they are ripened naturally.

The rich juices of the meats are retained and properly diffused by this special Cudahy mild-cure which produces a sweeter and more delicious flavor because it is a natural process and not artificially hastened. Try Puritan today.

Easy Marks Are Blamed for High Cost of Crime

OAKLAND, Cal., Jan. 30.—Crime is made easy by the excessive number of dupes in the country, according to George C. Henderson, an authority on criminology. "It is the victim," he explained, "the sap, dupe, gull and easy mark, whatever you want to call him, who supports the thousands of crooks in America and gives the country credit for a \$2,000,000,000 loss by crime."

"They leave their automobiles unprotected for thieves to steal. They carry large sums for pickpockets to get. They are weak when they cash checks for strangers. They purchase real estate without looking up the title. Invest in schemes without consulting the bankers, pay mediums to talk to the dead, play cards with sharks."

FUNNY STORY IS TOLD ABOUT ENGLISH QUEEN

Capital Letter

WASHINGTON, Jan. 30.—Persons who predict a change in the general conduct of our foreign affairs after March 4, when Secretary Hughes gives way at the state department to Frank B. Kellogg, doubtless are influenced in so small degree by the widely different physical and mental makeup of the two men.

Hughes, erect, stalwart, brimming over with vim and vitality, typified aggressiveness, decision, action. He more than any other cabinet member conveyed an impression of dominance and sureness in himself and in his grasp of departmental problems.

No such impression is conveyed by the bearing of the secretary-to-be. Neither physically nor temperamentally will he be able to present the "front" which Hughes gave to the job.

By birth only five years older than Hughes, Kellogg has the appearance of an old man while Hughes looks to be just in his prime.

Kellogg's hair is snow white. His shoulders are stooped and his features creased with the sagging lines of age.

Instead of the certainty and decision with which Hughes meets questions, there is a nervous hesitancy in Kellogg's attitude and in his answers when under a cross-fire of questions.

He seems passive rather than active; to take a defensive rather than an offensive position when facing a test of wits or strength.

This attitude won for Kellogg, as a United States senator, a nickname radically different from that which first brought him into public prominence.

He first got national notice when, as special counsel for the government, he conducted the dissolution suits against the Standard Oil company, the Paper Trust and the Union Pacific-Southern Pacific merger.

This brought him the title of "Trust Buster Kellogg." His conduct of these cases also won him something of a reputation as a "progressive" or insurgent Republican.

As a senator, however, Kellogg evidenced few signs of his old trust-busting vigor, and none at all of progressivism. He was a regular with the regulars.

And his petulance with interviewers during this period which preceded his defeat for re-election to the senate won him in capital circles the alliterative nickname of "Nervous Nellie."

President Coolidge has made it plain that he does not expect the change in his secretary of state to result in any change of foreign policy. And it may not, consciously.

But unconsciously, so far as the White House is concerned, it seems inevitable that the department of state under Frank B. Kellogg will not be quite the department of state it has been under Charles Evans Hughes.

Intentionally or not, the personality and the temperament of the new incumbent will pave the way to a change. Whereas Hughes dominated the department and was supposed likewise to dominate the executive's ideas on foreign affairs, Kellogg is cast to play the part in a less assertive way.

Instead of the "Hughes" policy in foreign affairs, which was impervious to penetration by outside influences, we will now have an "administration" policy, in which will be blended not only the best thought of the secretary of state but also of the president and other leaders in the party and the administration.

Not the least interesting of the tests of influence which Kellogg must face will be that exerted by the new chairman of the senate committee on foreign affairs, Senator Borah.

Borah's square chin was offset by Hughes' square whiskers. Kellogg, without squareness either of chin or whiskers, may be less able to withstand Borah's assaults.

Girl Kneeling In Prayer Slain On Eve of Marriage

HUNTINGTON, West Va., Jan. 30.—Melva Glenn, 22 years old, a servant in the home of Dr. J. Layton Mauze, pastor of the First Presbyterian church here, was beaten to death while saying her prayers at her bedside before retiring. She was to have been married in the morning.

The body was found in the kneeling position at the bedside in her apartment over the Mauze garage by her fiancé, Marvin Williams, 22 years old, who said he had gone back to the girl's room because the "spirits had said something terrible had happened."

Williams went to the Mauze home and Mrs. Mauze called the police. He was placed under arrest.

Even Gypsies Rush Into Print Before Elections

SOFIA, Jan. 30.—The Gypsy language, which is not regarded as a written tongue, has been put into print for the first time for political campaign purposes.

It is printed in Slavic characters, but most of the words are unintelligible to a Bulgarian or any other Slavic speaking person. The political terms, however, are Slavic words.

An agrarian campaign document, printed in the Roman language, points out that the late dictator, Stamboulsky, was anxious to enfranchise the entire Gypsy race, but the Democrat union prevented the enfranchisement by putting an end to the Stamboulsky regime.

The Japanese regent usually donates large sums to the families of army aviators killed while flying. Their rank often is raised after their death.

Automobile accidents in the United States are increasing at the rate of 2000 a year, says the Eye-sight Conservation Council of America, which believes that defective vision is responsible for a large percentage of them.

Movies Third In Evil Influences Students Declare

HOLLYWOOD, Jan. 30.—"The movies" stand third in a list of influences menacing character building in the youth of today, compiled from a vote of 141 boys and girls in the Hollywood high school, right here where the films are ground out.

The students place automobiles and "juicy" newspaper stories ahead of motion pictures as evil influences. Petting parties, clubs and the lack of religion are also included.

Roscoe Pound Is Favored for Job At University

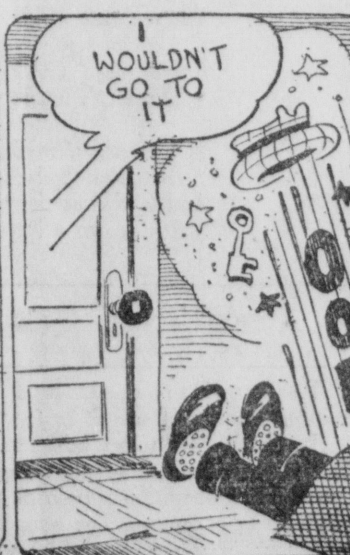

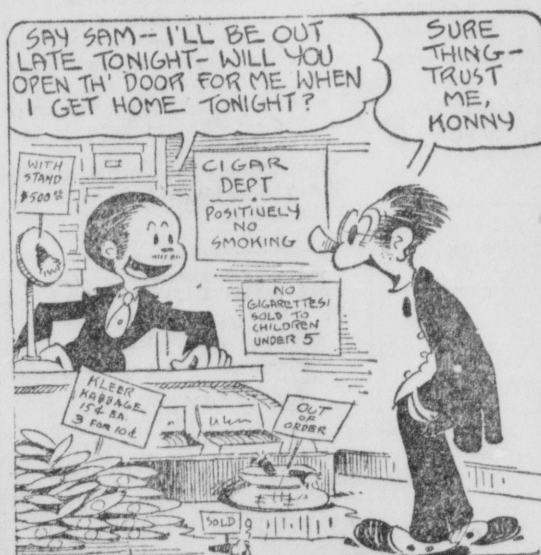

MADISON, Wis., Jan. 30.—That Dr. Roscoe Pound of Harvard law school will be offered the presidency of University of Wisconsin is the opinion here. Those in a position to know predict that the special committee which has been searching for a president will report within the next thirty days on Dr. Pound.

The three men under consideration are understood to be Dr. C. W. Wells, president of the teachers' college of Columbia university; Dr. Robert M. Lovett of the University of Chicago, and Dr. Pound. It is claimed here that Pound is a western man with western ideals, and for that reason several members of the committee look on him with favor. The committee on presidency is composed of Regents Theodore Kronshage, Milwaukee; Miss Zona Gale and D. W. Grady, Portage; Harry L. Butler, and State Superintendent of Schools John Callahan, Milwaukee.

FEW IDLE JAPANESE SHIPS. TOKYO, Jan. 30.—Idle ship tonnage in Japan is on the decrease, a report of the Kobe Shipping exchange shows. The report states that there are only six vessels of more than 1,000 tons displacement idle now. There were 40 similar vessels idle a few months ago.
